Nature of Comments

We specifically request your comments on the following:

1. Whether the collection of information is necessary for the proper functioning of the Bureau of Land Management, including whether the information will have practical utility;
2. The accuracy of BLM's estimate of the burden of collecting the information, including the validity of the methodology and assumptions used;
3. The quality, utility, and clarity of the information to be collected; and
4. How to minimize the burden of collecting the information on those who are to respond, including the use of appropriate automated electronic, mechanical, or other forms of information technology.

Title: Identification of Communications Site Tenants and Tenant Uses.

OMB Approval Number: 1004-0175.

Abstract: BLM collects information from holders of rights-of-way for communication sites on public lands. This information concerns the identity and type of use of tenants. This information enables BLM to meet its statutory obligation to collect annually from communication site grant holders the fair market value of the right-of-way. BLM uses the information to calculate the annual rent for the facility, based on the highest value use in the facility.

Bureau Form: None.

Frequency: Annually.

Description of Respondents:

Respondents are holders of communication site right-of-way grants.

Annual Responses: 1,500.

Annual Burden Hours: 1,500.

Collection Clearance Officer: Carole Smith, (202) 452-0367.

Dated: May 12, 1999.

Carole J. Smith,

BLM Information Clearance Officer.
