Providing Oral or Written Comments at SAB Meetings

The Science Advisory Board (SAB) expects that public statements presented at its meetings will not be repetitive of previously submitted oral or written statements. In general, opportunities for oral comment at face-to-face meetings will be usually limited to ten minutes per speaker. At teleconference meetings, speakers will be usually limited to three minutes per speaker and no more than fifteen minutes total. Written comments (at least 35 copies) received in the SAB Staff Office sufficiently prior to a meeting date (usually one week prior to a meeting), may be mailed to the committees or its respective subcommittees prior to its meeting; comments received too close to the meeting date will normally be provided to the Council and its subcommittees at the meeting. Written comments may be provided up until the time of the meeting.

Dated: June 2, 1999.

Among other things, the *Report and Order* implemented Section 3(a) of the Cable Television Consumer Protection and Competition Act of 1992 wherein a local franchise authority ("LFA") must file with the Commission

a written certification when it seeks to regulate basic service cable rates. Subsequently, the Commission developed FCC Form 328 to provide a standardized, simple form for LFAs to use when requesting certification. The data derived from Form 328 filings are used by Commission staff to ensure that an LFA has met the criteria specified in Section 3(a) of the Cable Television Consumer Protection and Competition Act of 1992 for regulating basic service rates.
