An applicant must limit Part III to the equivalent of no more than 60 double-spaced pages using the following standards: (1) a "page" is 8½" x 11" (on one side only) with one-inch margins (top, bottom, and sides); and (2) all text in the application narrative, including titles, headings, footnotes, quotations, references, and captions, as well as all text in charts, tables, figures, and graphs, must be double-spaced (no more than 3 lines per vertical inch). If using a proportional computer font, use no smaller than a 12-point font, and an average character density no greater than 18 characters per inch. If using a nonproportional font or a typewriter, do not use more than 12 characters to the inch.

The page limit does not apply to Part I—the cover sheet; Part II—the budget section (including the narrative budget justification); Part IV—the assurances and certifications; or the one-page abstract, resumes, bibliography, and letters of support. However, all of the application narrative must be included in Part III. If an application narrative uses a smaller print size, spacing, or
