**DEPARTMENT OF THE INTERIOR**

**Office of the Secretary**

**Relocation of Jeanne d'Arc Statue, Place de France, New Orleans, Louisiana**

**AGENCY:** Office of the Secretary, Interior.

**ACTION:** Notice—Record of Decision.

**SUMMARY:** The Mayor of the City of New Orleans, Marc. H. Morial, requested that the Secretary of the Interior approve the relocation of the Place de France, including a statue of Jeanne d'Arc and two bronze cannons, now located between the International Trade Mart Building and the former Rivergate, to a new location in the Vieux Carre (the French Quarter), a National Historic Landmark District. After carefully reviewing the effects of this request, the Secretary of the Interior, pursuant to Section 705 of the Housing and Urban Development Act of 1970, Public Law 91-609 (the Act), approved this request on June 4, 1999.

**FOR FURTHER INFORMATION CONTACT:** Ms. Geraldine Smith, Superintendent, Jean Lafitte National Historical Park and Preserve, 365 Canal Street, Suite 2400, New Orleans, Louisiana 70130-1142. (504) 589-3882.

**SUPPLEMENTARY INFORMATION:**

**Background**

In 1971, the City applied for grant funds to develop the park currently known as the Place de France (and also

the Joan of Arc Plaza) under the Act. The Place contains a gilded bronze statue of Jeanne d'Arc and two bronze cannons manufactured during the Napoleonic Empire donated to the City by the French Government. The City constructed the Place de France in 1972 with these grant funds. Section 705 of the Act states, "[n]o open-space land involving historic or architectural purposes for which assistance has been granted under this title shall be converted to use for any other purpose without the prior approval of the Secretary of the Interior." In *Louisiana Landmarks Society, Inc. v. City of New Orleans*, No. 94-3880 (E.D. La. 1995), *rev'd on other grounds*, 85 F.3d 1119 (5th Cir. 1996), the Court found that Section 705 applied to the Place de France. Therefore, the approval of the Secretary must be granted prior to change of use of the Place de France.

The question of what regulatory framework must be applied to the request for approval of the Secretary of the relocation was raised by the Louisiana Landmarks Society (letter dated April 17, 1999). No regulations presently exist that implement Section 705 of the Act. In deleting regulations that existed prior to 1982, HUD explained that "[to] the extent that there are still ongoing projects remaining under these programs, they continue to be governed by the requirements of the enabling legislation under which they were funded since those statutes remain in effect, as well as the obligations under the respective grant and/or loan contracts with HUD." 47 FR 1117 (January, 1982), see also, *Louisiana Landmarks Society, Inc. v. City of New Orleans, Etc.* Civ. No. 94-3880 (E.D. La 1994), *rev. on other grounds Louisiana Landmarks Society, Inc. v. City of New Orleans, Etc.* 85 F.3d 1119 (5th Cir. 1996).

The Louisiana Landmarks Society suggests that the Secretary look to HUD's repealed regulations for guidance on what issues the Secretary must consider, prior to making his decision.

However, the repealed regulations did not set forth any standard that the Secretary should follow in making his decision under the Act. Therefore, the repealed regulations provide no guidance to the Secretary.

The Louisiana Landmarks Society suggests, in the alternative, that the Secretary should look to the Land and Water Conservation Act (LWCF) rules on conversion and apply those standards in making his decision. However, the LWCF rules are not applicable in this situation. The LWCF specifically requires the Secretary to consider specific issues prior to making his determination approving or denying a conversion request for conversion of properties funded by that particular program. See, 16 U.S.C. 4601-8(f)(3) ("No property acquired or developed with assistance under this section shall, without the approval of the Secretary, be converted to other than public outdoor recreation uses. The Secretary shall approve such conversion only if he finds it to be in accord with the then existing comprehensive statewide outdoor recreation plan and only upon such conditions as he deems necessary to assure the substitution of other recreation properties of at least equal fair substitution of other recreation properties of at least equal fair market value and of reasonably equivalent usefulness and locations \* \* \*") However, the Act is a distinct funding statute with a unique statutory framework. Applying the recreational standards of the LWCF to this HUD urban grant program would be inappropriate.

The plain language of the Act grants the Secretary the authority to make his approval decision in his discretion. Further, this decision is informed by compliance with all other applicable laws. Specifically, the Secretary considers the effects of the relocation on the environment, the Vieux Carre Historic District, and the Place itself.

Although the Secretary has noted the local planning process, the Secretary's
