

Safety Risks. This final rule is not an economically significant rule and does not concern an environmental risk to safety disproportionately affecting children.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reports and recordkeeping requirements, Security measures, Waterways.

Regulation

For the reasons set out in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—[AMENDED]

1. The authority citation for Part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05–1(g), 6.04–1, 6.04–6 and 160.5; 49 CFR 1.46, Section 165.100 is also issued under authority of sec. 311, Pub. L. 105–383.

2. Add temporary § 165.T01–CGD1–074 to read as follows:

§ 165.T01–CGD1–074 Saybrook Summer Pops Concert, Saybrook Point, Connecticut River, Old Saybrook, CT

(a) *Location.* The safety zone includes all waters of the Connecticut River within a 400 foot radius of the launch site located in Saybrook Point, Old Saybrook, CT, in approximate position 41°17'35"N, 072°21'20"W. (NAD 1983).

(b) *Effective date.* This section is effective on August 8, 1999 from 9 p.m. until 10:10 p.m.

(c) *Regulations.* The general regulations covering safety zones contained in § 165.23 of this part apply.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port of the designated on-scene patrol personnel. U.S. Coast Guard patrol personnel include commissioned, warrant, and petty officers of the Coast Guard. Upon being hailed by a U.S. Coast Guard Vessel via siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

P. K. Mitchell,

Captain, U.S. Coast Guard, Captain of the Port, Long Island Sound.

Coast Guard

33 CFR Part 165

[CGD01–99–072]

RIN 2115–AA97

Safety Zone: Sag Harbor Fireworks Display, Sag Harbor Bay, Sag Harbor, NY.

AGENCY: Coast Guard, DOT.

ACTION: Temporary final rule.

SUMMARY: The Coast Guard is establishing a safety zone for the Sag Harbor Fireworks Display to be held outside the breakwater in Sag Harbor Bay, Sag Harbor, NY, on July 2, 1999. This action is needed to protect persons, facilities, vessels and others in the maritime community from the safety hazards associated with this fireworks display. Entry into this safety zone is prohibited unless authorized by the Captain of the Port.

DATES: This regulation is effective on July 2, 1999 and on July 3, 1999 from 9 p.m. until 10:20 p.m. For rain dates, refer to the regulatory text set out in this rule.

ADDRESSES: Documents relating to this temporary final rule are available for inspection and copying at U.S. Coast Guard Group Long Island Sound, 120 Woodward Avenue, New Haven, CT 06512. Normal office hours are between 8:00 a.m. and 4:00 p.m., Monday through Friday, except holidays. Comments may also be faxed to this address. The fax number is (203) 468–4445.

FOR FURTHER INFORMATION CONTACT: Lieutenant Commander T. J. Walker, Chief of Port Operations, Captain of the Port, Long Island Sound at (203) 468–4444.

SUPPLEMENTARY INFORMATION:

Regulatory History

Pursuant to 5 U.S.C. 553, good cause exists for not publishing a notice of proposed rulemaking (NPRM) and for making this effective in less than 30 days after **Federal Register** publication. The sponsor of the event did not provide the Coast Guard with the final details for the event in sufficient time to publish a NPRM or a final rule 30 days in advance. The delay encountered if normal rulemaking procedures were followed would effectively cancel the event. Cancellation of this event is contrary to the public interest since the fireworks display is for the benefit of the public.

Background and Purpose

The Say Harbor Yacht Club, of Sag Harbor, NY, is sponsoring a 35 minute fireworks display in Sag Harbor, Sag Harbor, NY. The fireworks display will occur on July 2, 1999, from 9 pm until 10:20 pm. The safety zone covers all waters of Sag Harbor Bay within a 1,200 foot radius of the fireworks launching barge which will be located outside the breakwater in Sag Harbor Bay, Sag Harbor, NY, in approximate position; 41°–00'51.2" N, 072°–17'57.8" W, (NAD 1983). This zone is required to protect the maritime community from the safety dangers associated with this fireworks display. Entry into or movement within this zone will be prohibited unless authorized by the Captain of the Port or his on-scene representative.

Regulatory Evaluation

This temporary final rule is not a significant regulatory action under section 3(f) of Executive Order 12866 and does not require an assessment of potential costs and benefits under section 6(a)(3) of that order. It has been exempted from review by the Office of Management and Budget under that order. It is not significant under the regulatory policies and procedures of the Department of Transportation (DOT) (44 FR 11040; February 26, 1979). The Coast Guard expects the economic impact of this proposal to be so minimal that a full Regulatory Evaluation under paragraph 10e of the regulatory policies and procedures of DOT is unnecessary. This safety zone involves only a portion of Sag Harbor Bay and entry into this zone will be restricted for only 1 hour and 20 minutes on July 2, 1999. Although this regulation prevents traffic from transiting this section of Sag Harbor Bay, the effect of this regulation will not be significant for several reasons: the duration of the event is limited; the event is at a late hour; all vessel traffic may safely pass around this safety zone; and extensive, advance maritime advisories will be made.

Small Entities

Under the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*), the Coast Guard considered whether this proposal would have a significant economic impact on a substantial number of small entities. "Small entities" include independently owned and operated small businesses that are not dominant in their field and (2) governmental jurisdictions with populations of less than 50,000.

For the reasons discussed under the Regulatory Evaluation above, the Coast Guard certifies under section 605(b) of the Regulatory Flexibility Act (5 U.S.C.

601 *et seq.*) that this rule will not have a significant impact on a substantial number of small entities.

Assistance for Small Entities

Under subsection 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), the Coast Guard wants to assist small entities in understanding this final rule so that they can better evaluate its effects on them and participate in the rulemaking. If your small business or organization would be affected by this final rule and you have questions concerning its provisions or options for compliance, please call LCDR T.J. Walker, telephone (203) 468-4444.

The Ombudsman of Regulatory Enforcement for Small Business and Agriculture, and 10 Regional Fairness Boards, were established to receive comments from small businesses about enforcement by Federal agencies. The Ombudsman will annually evaluate such enforcement and rate each agency's responsiveness to small business. If you wish to comment on enforcement by the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247).

Collection of Information

This rule contains no collection of information requirements under the Paperwork Reduction Act (44 U.S.C. 3501 *et seq.*).

Federalism

The Coast Guard has analyzed this action in accordance with the principles and criteria contained in Executive Order 12612, and has determined that these regulations do not raise sufficient federalism implications to warrant the preparation of a Federalism Assessment.

Unfunded Mandates

Under the Unfunded Mandates Reform Act of 1995 (Pub. L. 104-4), the Coast Guard must consider whether this rule will result in an annual expenditure by state, local, and tribal governments, in aggregate of \$100 million (adjusted annually for inflation). If so, the Act requires that a reasonable number of regulatory alternatives be considered, and that from those alternatives, the least costly, most cost-effective, or least burdensome alternative that achieves the objective of the rule be selected. No state, local, or tribal government entities will be effected by this rule, so this rule will not result in annual or aggregate costs of \$100 million or more. Therefore, the Coast Guard is exempt from any further regulatory requirements under the Unfunded Mandates Act.

Environment

The Coast Guard has considered the environmental impact of this regulation and concluded that under Figure 2-1, paragraph 34(g), of Commandant Instruction, M 16475.C, this rule is categorically excluded from further environmental documentation. A written Categorical Exclusion Determination is available in the docket for inspection or copying where indicated under ADDRESSES.

Other Executive Orders on the Regulatory Process

In addition to the statutes and Executive Orders already addressed in this preamble, the Coast Guard considered the following executive orders in developing this final rule and reached the following conclusions:

E.O. 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights. This final rule will not effect a taking of private property or otherwise have taking of private property or otherwise have taking implications under this Order.

E.O. 12875, Enhancing the Intergovernmental Partnership. This final rule meets applicable standards in sections 3(a) and 3(b)(2) of this Order to minimize litigation, eliminate ambiguity, and reduce burden.

E.O. 13405, Protection of Children from Environmental Health Risks and Safety Risks. This final rule is not an economically significant rule and does not concern an environmental risk to safety disproportionately affecting children.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reports and recordkeeping requirements, Security measures, Waterways.

Regulation

For the reasons set out in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

PART 165—[AMENDED]

1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1(g), 604-1, 6.04-6 and 160.5; 49 CFR 1.46. Section 165.100 is also issued under authority of Sec. 311, Pub. L. 105-383.

2. Add temporary § 165.T01-CGD1-072 to read as follows:

§ 165.T01-CGD1-072; Sag Harbor Fireworks Display, Sag Harbor Bay, Sag Harbor, NY.

(a) *Location.* The safety zone includes all waters of Sag Harbor within a 1200

foot radius of the launch site located in Sag Harbor Bay, Sag Harbor, NY in approximate position 41°-00'51.2"N, 072°-17'57.8"W (NAD 1983).

(b) *Effective date.* This section is effective on July 2, 1999 from 9:00 p.m. until 10:20 p.m. In case of inclement weather, this section is effective July 3, 1999 at the same time and place.

(c)(1) *Regulations.* The general regulations covering safety zones contained in § 165.23 of this part apply.

(2) All persons and vessels shall comply with the instructions of the Coast Guard Captain of the Port or the designated on scene patrol personnel. U.S. Coast Guard patrol personnel include commissioned, warrant, and petty officers of the Coast Guard. Upon being hailed by a U.S. Coast Guard Vessel via siren, radio, flashing light, or other means, the operator of a vessel shall proceed as directed.

P. K. Mitchell,

Captain, U.S. Coast Guard, Captain of the Port, Long Island Sound.

BILLING CODE 4910-15-M

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[ME61-7010c; A-1-FRL-6366-9]

Approval and Promulgation of Air Quality Implementation Plans; Maine; Approval of Fuel Control Program Under Section 211(c)

AGENCY: Environmental Protection Agency (EPA).

ACTION: Direct final rule; withdrawal.

SUMMARY: On May 14, 1999, EPA published a direct final rule (64 FR 26306) approving, and an accompanying proposed rule (64 FR 26352) proposing to approve, a State Implementation Plan (SIP) revision submitted by the State of Maine on March 10, 1999. This revision establishes and requires that all gasoline sold in York, Cumberland, Sagadahoc, Androscoggin, Kennebec, Knox and Lincoln counties meet certain summertime volatility limits, as measured by the Reid Vapor Pressure (RVP). We are withdrawing this final rule due to adverse comment received from the Oxygenated Fuels Association. In a subsequent final rule, we will summarize and respond to any comments received and take final rulemaking action on this requested Maine SIP revision.

DATES: As of June 28, 1999, we withdraw the direct final rulemaking published on May 14, 1999.
