

any anticipated procurement action that is expected to be awarded without competition and to exceed the simplified acquisition threshold fixed at 41 USC 403(11). Recipients might be required to make available to ACF pre-award review and procurement documents, such as requests for proposal or invitations for bids, independent cost estimates, etc.

**Note:** Whenever the applicant intends to delegate part of the project to another agency, the applicant must provide a detailed budget and budget narrative for each delegate agency, by agency title, along with the required supporting information referred to in these instructions.

**Other:** Enter the total of all other costs. Such costs, where applicable and appropriate, may include but are not limited to insurance, professional services costs, space and equipment rentals, printing and publication, computer use, training costs, such as tuition and stipends, staff development, and administrative costs. Justification—Provide computations, a narrative description and a justification for each cost under this category.

**Indirect Costs:** This category should be used only when the applicant currently has an indirect cost rate approved by the Department of Health and Human Services or another cognizant Federal agency.

**Justification—**An applicant proposing to charge indirect costs to the grant must enclose a copy of the current rate agreement. If the applicant organization is in the process of initially developing or renegotiating a rate, it should immediately upon notification that an award will be made, develop a tentative indirect cost rate proposal based on its most recently completed fiscal year in accordance with the principles set forth in the cognizant agency's guidelines for establishing indirect cost rates, and submit it to the cognizant agency. Applicants awaiting approval of their indirect cost proposals may also request indirect costs. It should be noted that when an indirect cost rate is requested, those costs included in the indirect cost pool should not also be charged as direct costs to the grant. Also, if the applicant is requesting a rate which is less than what is allowed under the agreement, the authorized representative of the applicant organization must submit a signed acknowledgement that the applicant is accepting a lower rate than allowed.

**Program Income:** The estimated amount of income, if any, expected to be generated from this project. Justification—Describe the nature, source and anticipated use of program income in the budget or refer to the

pages in the application which contain this information.

**Non-Federal Resources:** Amounts of non-Federal resources that will be used to support the project as identified in Block 15 of the SF-424. Justification—The firm commitment of these resources must be documented and submitted with the application in order to be given credit in the review process.

#### *E. Due Date for the Receipt of Applications*

**Deadlines:** The closing date for submission of applications is 4:30 p.m. (EDT) on July 30, 1999. Mailed applications shall be considered as meeting the deadline if they are either received on or before the deadline date or sent on or before the deadline date and received by ORR in time for the independent review. Applications should be mailed to: Ms. Shirley B. Parker, Grant Officer, Office of Refugee Resettlement, 6th Floor East, Aerospace Building 370 L'Enfant Promenade, SW., Washington, DC 20447.

Applicants are cautioned to request a legibly dated U.S. Postal Service postmark or to obtain a legibly dated receipt from a commercial carrier or U.S. Postal Service. Private metered postmarks shall not be acceptable as proof of timely mailing.

Applications hand carried by applicants, courier services, or by overnight/express mail couriers shall be considered as meeting the announced deadline if they are received on or before the deadline date, between the hours of 8 a.m. and 4:30 p.m., at the above stated address, between Monday and Friday (excluding Federal holidays). (Applicants are cautioned that express/overnight mail services may not always deliver as agreed. In addition, some non-postal service carriers will only deliver to ORR's street address which is 901 D Street SW. instead of 370 L'Enfant Promenade, SW.) ORR cannot accommodate transmission of applications by fax or through other electronic media. Therefore, applications transmitted to ORR electronically will not be accepted regardless of date or time of submission and time of receipt.

**Late applications:** Applications which do not meet the criteria above are considered late applications. ORR shall notify each late applicant that its application will not be considered.

**Extension of deadlines:** ORR may extend the deadline for all applicants because of acts of God such as floods, hurricanes, etc., or when there is a widespread disruption of the mails. However, if ORR does not extend the deadline for all applicants, it may not

waive or extend the deadline for any applicants. A determination to waive or extend deadline requirements rests with the Chief Grants Management Officer.

**Reporting Requirements—**Grantees are required to file the Financial Status Report (SF-269) semi-annually and Program Progress Reports on a quarterly basis. Although ORR does not expect the proposed components/projects to include evaluation activities, it does expect grantees to maintain adequate records to track and report on expenditures by budget line item, project outcomes and participant demographics information which may include but is not limited to: date of birth, sex, country of birth, date of entry, education, employment history, marital status and number of children.

The official receipt point for all reports and correspondence is the Grant Officer, Office of the Director. An original and one copy of each report shall be submitted within 30 days of the end of each reporting period. The mailing address is: Office of Refugee Resettlement, Sixth Floor East, Aerospace Building, 370 L'Enfant Promenade, SW., Washington, DC 20447. A final Financial and Program Report shall be due 90 days after the budget expiration date or termination of grant support.

Dated: June 15, 1999.
