## DEPARTMENT OF THE INTERIOR

### National Park Service

#### **\$670,000 in Funding Assistance for Non-Federal Acquisition of Civil War Battlefield Land**

**AGENCY:** National Park Service, Interior.

**ACTION:** Availability of funding for acquisition of Civil War battlefield land.

**SUMMARY:** The National Park Service (NPS) announces the availability of \$670,000 to assist States and local communities in acquiring for permanent protection lands, or interests in lands, at significant Civil War battlefield sites.

**ADDRESSES:** Funding proposals should be mailed to: Hampton Tucker, National Park Service, American Battlefield Protection Program, 1849 C Street, NW, NC-330, Washington, DC 20240, telephone (202) 343-3580.

**FOR FURTHER INFORMATION:** Hampton Tucker, National Park Service, American Battlefield Protection Program, 1849 C Street, NW, NC-330, Washington, DC 20240, telephone (202) 343-3580.

**SUPPLEMENTARY INFORMATION:** Under the 1999 Interior Appropriations Act (Public Law 105-83), Congress appropriated \$8 million from the Land & Water Conservation Fund to assist

non-Federal efforts to acquire and preserve Civil War battlefield lands. The Congress has assigned most of these funds to specific projects. It reserved \$670,000 of the total and has asked the National Park Service to assign those funds. NPS seeks proposals from State and local governments—or from qualified non-profit historic preservation organizations acting through an agency of State or local government—for the non-federal acquisition of significant Civil War battlefield land. Project proposals are subject to the following requirements.

1. The 1999 Appropriations Act requires that these funds be matched on a two-for-one basis with non-federal dollars. That is, the federal dollars can pay for no more than one-third of the acquisition cost.

2. The purchase price must be supported by a qualified appraisal that has been approved by NPS as meeting the Uniform Appraisal Standards for Federal Land Acquisitions.

3. The battlefield land acquired with the assistance of these funds must be permanently protected from inappropriate development.

NPS will give priority to acquisition of land, or interests in land, within the "core" areas of Priority I and Priority II battlefields, as identified by the Congressionally-chartered Civil War Sites Advisory Commission (see list below). Among potential projects NPS will give highest priority to acquisition projects that can be completed within the immediate future.

Proposals should be submitted by August 20, 1999, and must include:

1. A carefully drawn map (preferably on a U.S.G.S. Quadrangle Map) that sets out the boundaries of the battlefield and identifies within those boundaries the specific lands to be acquired.

2. The number of acres of land to be acquired.

3. A description of the battle-related events that occurred on the land.

4. A statement of whether the owner of the land to be acquired has indicated a willingness to sell the land.

5. A statement of the owner's asking price and/or the estimated fair market value of the land to be acquired.

6. A statement of how much federal assistance from this program the applicant is requesting.

7. A statement of how much matching share is already on hand or firmly pledged.
