*The Standards Council of Canada (SCC) voted to end its Laboratory Accreditation Program for Substance Abuse (LAPSA) effective May 12, 1998. Laboratories certified through that program were accredited to conduct forensic urine drug testing as required by U.S. Department of Transportation (DOT) regulations. As of that date, the certification of those accredited Canadian laboratories will continue under DOT authority. The responsibility for conducting quarterly performance testing plus periodic on-site inspections of those LAPSA-accredited laboratories was transferred to the U.S. DHHS, with the DHHS' National Laboratory Certification Program (NLCP) contractor continuing to have an active role in the performance testing and laboratory inspection processes. Other Canadian laboratories wishing to be considered for the NLCP may apply directly to the NLCP contractor just as U.S. laboratories do.

Upon finding a Canadian laboratory to be qualified, the DHHS will recommend that DOT

DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT

[Docket No. FR-4441-N-29]

Submission for OMB Review: Customer-Survey of Households Living in Federally Assisted Units

AGENCY: Office of the Assistant Secretary for Administration, HUD.

ACTION: Notice.

SUMMARY: HUD recently developed and tested a cost-effective mail survey instrument for assessing resident satisfaction with and rating of, housing units assisted through HUD programs. This survey, which elicits renter ratings of their housing, provided high response rates and high levels of agreement with independent condition ratings by professional inspectors. HUD plans to implement this survey as an ongoing tool to assess customer ratings of housing assisted through the Section 8 Certificate and Voucher programs. For limited evaluative or comparison purposes, HUD may also use this survey to assess resident ratings of other Federal housing assistance programs. This survey will allow HUD to provide feedback to help local housing agencies improve their Section 8 programs, and it will help HUD to focus its monitoring and technical assistance resources where program performance most needs improvement. It will provide HUD's policy, program, and budget managers with improved measures for tracking national housing conditions over time. The proposed information collection requirement described below has been submitted to the Office of Management and Budget (OMB) for review, as required by the Paperwork Reduction Act. The Department is soliciting public comments on the subject proposal.

DATES: *Comments Due Date:* August 6, 1999.

ADDRESSES: Interested persons are invited to submit comments regarding this proposal. Comments should refer to the proposal by name and/or OMB approval number (2528-0170) and should be sent to: Joseph F. Lackey, Jr., OMB Desk Officer, Office of Management and Budget, Room 10235, New Executive Office Building, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: Wayne Eddins, Reports Management Officer, Department of Housing and Urban Development, 451 7th Street, Southwest, Washington, DC 20410, telephone (202) 708-1305. This is not a toll-free number. Copies of the proposed forms and other available documents

submitted to OMB may be obtained from Mr. Eddins.

SUPPLEMENTARY INFORMATION: The Department has submitted the proposal for the collection of information, as described below, to OMB for review, as required by the Paperwork Reduction Act (44 U.S.C. Chapter 35). Authority: Section 3507 of the Paperwork Reduction Act of 1995, 44 U.S.C. 35, as amended.
