NATIONAL ARCHIVES AND RECORDS ADMINISTRATION

36 CFR Part 1275

RIN 3095-AA91

Nixon Presidential Materials

AGENCY: National Archives and Records Administration (NARA).

ACTION: Proposed rule.

SUMMARY: This proposed rule will amend regulations on preservation and processing of and access to the Presidential historical materials of Richard M. Nixon in NARA's custody to reflect the 1998 decision of the U.S. Court of Appeals that the private or personal segments of the original tape recordings must be returned to the Nixon estate. The amended rule will affect NARA and the Nixon estate. Other members of the public are not affected because no public access to the private and personal segments of the tapes has ever been permitted.

DATES: Comments are due by September 13, 1999.

ADDRESSES: Comments must be sent to Regulation Comments Desk (NPOL), Room 4100, Policy and Communications Staff, National Archives and Records Administration, 8601 Adelphi Road, College Park, MD 20740-6001. They may be faxed to 301-713-7270.

FOR FURTHER INFORMATION CONTACT:

Nancy Allard at telephone number 301-713-7360, ext. 226, or fax number 301-713-7270.

SUPPLEMENTARY INFORMATION: The Presidential Recordings and Materials Act (PRMPA), 44 U.S.C. 2111 note, Section 104(a), provides that in processing and providing access to the Nixon Presidential historical materials, the Archivist shall promulgate regulations, taking into account a number of factors including "the need

to give to Richard M. Nixon, or his heirs, for his sole custody and use, tape recordings and other materials which are not likely to be related to the need [to inform the public about abuses of governmental power] and are not otherwise of general historical significance." NARA promulgated its PRMPA regulations in 1986, including a provision (36 CFR 1275.48(a)) to transfer to former President Richard M. Nixon materials determined to be "private or personal" in accordance with the PRMPA.

To fulfill this requirement with regard to the Nixon White House tape recordings, NARA had returned a copy of such materials to the estate of former President Nixon and agreed to identify and return to the Nixon estate a copy of any additional private or personal materials identified on the tapes in the course of NARA's continuing review of the tapes. However, in the mediation leading up to the Settlement Agreement filed April 12, 1996, in *Stanley I. Kutler and Public Citizen v. John W. Carlin, Archivist of the United States, and William E. Griffin and John H. Taylor, Co-executors of Richard M. Nixon's Estate*, Civil Action No. 92-0662-NHJ (D.D.C.) (Johnson, J.), the parties were unable to reach an agreement on whether the Archivist was obligated, under other provisions of the PRMPA, to retain and maintain the original tape recordings in their entirety, including those segments deemed to be private or personal, along with a master preservation copy. Accordingly, the parties agreed to litigate this issue, including the validity of 36 CFR 1275.48(a) and 1275.64(e), which were amended by NARA in 1996 following the Settlement Agreement to reflect the government's position that it was complying with the Act by retaining the original tapes and a master preservation copy, including those portions containing private or personal conversations.

On March 31, 1998, the U.S. Court of Appeals for the District of Columbia Circuit issued its decision affirming the March 31, 1997 ruling of the U.S. District Court (D.D.C.) in favor of the defendant-intervenors (the co-Executors of the estate of former President Richard Nixon). The District Court had directed the Archivist of the United States to "provide [the Nixon estate] forthwith with all personal or private conversations identified to date on the original White House tapes described in Section 101(a) of the [PRMPA] and any copies thereof." The court also ordered NARA to destroy or return portions of the draft tape log that contain descriptions of the private or personal

materials. This proposed rule revises the regulations to reflect the District Court's decision.

This proposed rule is not a significant regulatory action for the purposes of Executive Order 12866 and has not been reviewed by the Office of Management and Budget. As required by the Regulatory Flexibility Act, I certify that this rule will not have a significant impact on small entities.

Approval and Promulgation of Implementation Plan; Illinois

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: On November 14, 1995, May 9, 1996, June 14, 1996, February 1, 1999, and May 19, 1999, the State of Illinois submitted State Implementation Plan (SIP) revision requests to meet commitments related to our conditional approval of Illinois' May 15, 1992, SIP submittal for the Lake Calumet (Southeast Chicago), McCook, and Granite City, Illinois, Particulate Matter (PM) nonattainment areas. EPA is proposing to approve the SIP revision request as it applies to the Lake Calumet area, including the attainment demonstration for the Lake Calumet PM nonattainment area. The SIP revision request corrects, for the Lake Calumet PM nonattainment area, all of the deficiencies of the May 15, 1992, submittal (as discussed in the November 18, 1994, conditional approval notice). EPA is also proposing to remove the codification of the conditional approval and codify the final portions of Illinois' part D plan for the Granite City, Lake Calumet, and McCook moderate PM nonattainment areas. EPA approved the Granite City PM plan, effective May 11, 1998, and the McCook PM plan, effective November 9, 1998.

DATES: EPA must receive comments by August 13, 1999.
