Workforce Investment Act; Planning Guidance and Instructions for the Submission of the Strategic Five-Year Plan for Title I of the Workforce Investment Act of 1998 (Workforce Investment Systems) and Wagner- Peyser Act Proposed Collection; Comment Request

ACTION: Notice.

SUMMARY: The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. A copy of the proposed information collection request (ICR) can be obtained by contacting the office listed below in the addressee section of this notice. Currently, the Employment and Training Administration is soliciting comments concerning the proposed extension of the Workforce Investment Act requirements that the Governor submit a five-year strategic plan for Title I of the Workforce Investment Act of 1998 and for the Wagner-Peyser Act to the Secretary of Labor. The State Boards, in partnership with the Local Boards, will help the Governor develop the strategic vision and the statewide plan. Among other things, the plan will describe statewide workforce investment activities, explain how the requirements of the Act will be implemented, and outline how special population groups will be served.

DATES: Written comments must be submitted to the office listed in the addressee's section below on or before August 23, 1999.

ADDRESSES: Mr. Eric Johnson, Workforce Investment Implementation Task Force Office, US Department of Labor, 200 Constitution Avenue, NW, Room S-

5513, Washington, D.C. 20210, Telephone: (202) 219-0316 (voice) (This is not a toll-free number), or 1-800-326-2577 (TDD). Information may also be found at the website-<http://usworkforce.org>.

SUPPLEMENTARY INFORMATION:

I. Background

The Workforce Investment Act (WIA or Act), Pub. L. 105-220 (August 7, 1998) provides the framework for a reformed national workforce preparation and employment system designed to meet the needs of the nation's employers, job seekers and those who want to further their careers. Titles I, III, and V of the Act encourage States to reform existing employment and training programs to reach two important goals: (1) To think broadly about how Federal, state, local resources and the private sector can be brought together to increase the employment, retention, and earnings of participants, and (2) to increase occupational skill levels of customers. This will result in a more qualified workforce, a reduction in welfare dependency, and enhanced productivity and competitiveness for the Nation. The new law makes changes to the current workforce development system in many areas, including: funding streams; target populations; delivery systems; performance accountability; long-term planning; and governance structure.

II. Review Focus

The Department of Labor is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

III. Submission of State Plans

States are encouraged to take advantage of the option to submit their plans electronically as indicated below.

Pursuant to instructions issued by the Secretary, States are required to submit their State Plan (with an original signature) along with two copies to the US Department of Labor, WIA Task Force as follows: Mr. Raymond L. Bramucci, Assistant Secretary Employment and Training Administration, US Department of Labor, 200 Constitution Avenue, NW, Room S-5513, Washington, DC 20210, ATTN: Eric Johnson, Director, WIA Task Force, (wia98tf@doleta.gov). One copy of the Plan (with an original signature) must also be sent simultaneously to the appropriate ETA Regional Administrator.

States may also submit State Plans via diskette or e-mail. In order to transmit electronically, States must have WordPerfect or Microsoft Word format. (Macintosh versions cannot be accepted.) States submitting State Plans electronically should transmit one copy of the Plan to the U.S. Department of Labor, WIA Task Force at the address or e-mail address identified above, and one copy to the appropriate ETA Regional Administrator. States that submit State Plans electronically will not have to submit additional copies, but must submit signature pages with an original signature to both the national and regional offices. States wishing to implement WIA between July 1, 1999 and July 1, 2000 may submit their Plans anytime before April 1, 2000. All States must submit their full Plans no later than April 1, 2000.

Whenever a State submits its Plan, section 404 of WIA (which amends Title I of the Rehabilitation Act of 1973) requires the State to submit its Vocational Rehabilitation State Plan on the same date.

IV. Current Actions

States will not be able to receive funds if the Strategic Five Year State Plan for Title I of the Workforce Investment Act of 1998 (Workforce Investment Systems) is not submitted. Without an extension, the existing collection would be in use without an OMB control number. Section 112(a) of the Workforce Investment Act (Pub. L. 105-220, August 7, 1998), requires the Governor of the State to submit to the Secretary a Strategic Five-Year State Plan for Title I of WIA and the Wagner-Peyser Act, in order to be eligible to receive an allocation under section 127 or 132 or to receive financial assistance.

Type of Review: Extension.
Agency: Employment and Training Administration.
