- A statement of the part(s) of the proposed amendment being protested, and a citing of pages, paragraphs, maps, etc., of the Proposed Management Plan, where practical.;
- A copy of all documents addressing the issue(s) that were submitted by the protestor during the planning process or an indication of the date the issue or issues were discussed for the record; and
- A concise statement explaining why the proposed decision is believed to be in error.

At the end of the 30-day protest period, the 30-day NEPA administrative period, and the 60-day Governor's review period a Record of Decision will be issued approving the Plan. Approval will be withheld on any portion of the plan under protest until final action has been completed on such protest.
