SUPPLEMENTARY INFORMATION: Section 3506 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Leader, Information Management Group, Office of the Chief Information Officer, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g. new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

DEPARTMENT OF EDUCATION

[CFDA No.: 84.033]

Federal Work-Study Programs

AGENCY: Department of Education.

ACTION: Notice of the closing date for institutions that participate in the Federal Work-Study (FWS) Program to submit the Campus-Based Reallocation Form (ED Form E40-4P).

SUMMARY: The Secretary gives notice to institutions of higher education of the deadline for an institution that participated in the FWS Program for the 1998-1999 award year (July 1, 1998 through June 30, 1999) to request supplemental FWS funds for the 1999-2000 award year (July 1, 1999 through June 30, 2000). The information collected is used to determine whether an institution is eligible to receive supplemental FWS funds for the 1999-2000 award year.

DATES: *Closing Date and Method for Submitting a Campus-Based Reallocation Form.* If you participated in the FWS Program for the 1998-99 award year and want to ensure that you will be considered for supplemental FWS funds for the 1999-2000 award year, you must submit the electronic Campus-Based Reallocation Form by August 27, 1999.

The new Fiscal Operations Report for 1998-1999 and Application to Participate for 2000-2001 (FISAP) software that you will receive in July 1999 also contains the Campus-Based Reallocation Form (E-40-4P). The Campus-Based Reallocation Form electronic data must be transmitted via the Department's Title IV Wide Area

Network (Title IV WAN) using EDConnect. Specific information on this electronic transmission is provided in "Dear Colleague" letter CB-99-11 that was issued in July 1999. Transmit the Reallocation Form data to us only if you are releasing campus-based funds or are requesting supplemental 1999-2000 FWS funds.

Although the FISAP is not due until October 1, 1999, you must complete the Campus-Based Reallocation Form electronic data transmission prior to midnight, Eastern time, on August 27, 1999. (For purposes of this notice, this deadline means that an institution has all of August 27, 1999, to transmit electronically.)

SUPPLEMENTARY INFORMATION: The Department will reallocate unexpended FWS Federal funds from the 1998-99 award year as supplemental allocations for the 1999-2000 award year under the FWS Program. Supplemental allocations will be issued this fall in accordance with the reallocation procedures contained in the Higher Education Act of 1965, as amended (HEA). Under section 442(e) of the HEA, unexpended FWS funds returned to the Secretary must be reallocated to eligible institutions that used at least 10 percent of the total FWS Federal funds granted to the institution to compensate students employed in community services. Because reallocated FWS funds will be distributed on the basis of fair share shortfall criteria, you must also have a fair share shortfall to receive these funds. A fair share shortfall means that you have an unmet need for FWS funds as determined by the FWS allocation formula in the HEA that uses data reported on the FISAP. You must use all the reallocated FWS Federal funds to compensate students employed in community services. To ensure consideration for supplemental FWS Federal funds for the 1999-2000 award year, you must submit the Campus-Based Reallocation Form data by August 27, 1999.
