FOR FURTHER INFORMATION CONTACT: Superintendent, Pictured Rocks National Lakeshore, at the address and telephone number above.

SUPPLEMENTARY INFORMATION: Pictured Rocks is nationally recognized for the geographic and scientifically significant Lake Superior shoreline and related features it encompasses. The area became the first of America's authorized national lakeshores on October 15, 1966. The national lakeshore today encompasses 71,405 acres of land and water. A GMP prepared approved in 1981 currently guides management and development of the national lakeshore. Many provisions of that plan have now been accomplished. A revised GMP is necessary to address changes in resource conditions, knowledge about resources, policies, and laws that have occurred since 1981.

In accordance with NPS Park Planning policy, the GMP will ensure the Memorial has a clearly defined direction for resource preservation and visitor use. It will be developed in consultation with Servicewide program managers, interested parties, and the general public. It will be based on an adequate analysis of existing and potential resource conditions and visitor experiences, environmental impacts, and costs of alternative courses of action.

The environmental review of the GMP/EIS for historic site will be conducted in accordance with requirements of the NEPA (42 U.S.C. 4371 *et seq.*), NEPA regulations (40 CFR 1500-1508), other appropriate Federal regulations, and National Park Service

procedures and policies for compliance with those regulations.

Dated: July 27, 1999.

Antitrust Division

United States v. Suiza Foods Corp. and Broughton Foods Co.; Public Comments and Response

Notice is hereby given pursuant to the Antitrust Procedures and Penalties Act, 15 U.S.C. 16(b)-(h), that Public Comments and Plaintiff's Response have been filed with the United States District Court for the Eastern District of Kentucky, London Division, in *United States v. Suiza Foods Corporation and Broughton Foods Company*, Dkt. No. 99-CV-130.

On March 18, 1999, the United States filed a civil antitrust Complaint in the United States District Court for the Eastern District of Kentucky, London Division, alleging that the proposed acquisition of Broughton Foods Company ("Broughton") by Suiza Foods Corporation ("Suiza") would violate section 7 of the Clayton Act, 15 U.S.C. 18. The Complaint alleges that Suiza and Broughton compete to sell milk to school districts, that in 55 school districts located in South Central Kentucky the acquisition is likely to substantially lessen competition in the sale of school milk, and that therefore school districts and students would likely pay higher school milk prices or experience lower school milk quality and service.

A proposed Final Judgment embodying the settlement of this case was filed with the Court on April 28, 1999, along with a Competitive Impact Statement describing the Complaint and proposed Final Judgment. The Competitive Impact Statement and invitation for public comments were published in the **Federal Register** on May 17, 1999. Such comments, and the response thereto, are hereby published in the **Federal Register** and filed with the Court.

Copies of the Complaint, Stipulation, proposed Final Judgment, Competitive Impact Statement, Public Comments and Plaintiff's Response also may be inspected in Room 3233 of the Antitrust Division, Department of Justice, Tenth Street and Pennsylvania Avenue, NW., Washington, DC 20530 (telephone: 202/633-2481) and at the office of the Clerk of the United States District Court for
