Certain Carbon Steel Butt-Weld Pipe Fittings From Thailand; Preliminary Results of Antidumping Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of antidumping duty administrative review.

SUMMARY: In response to a timely request by Thai Benkan Corporation, Ltd., (TBC), the Department of Commerce (the Department) is conducting an administrative review of the antidumping duty order on certain carbon steel butt-weld pipe fittings (pipe fittings) from Thailand. This review covers TCB, a manufacturer/exporter of this merchandise to the United States, during the period July 1, 1997, through June 30, 1998. We have preliminarily determined that sales of the subject merchandise have been made below normal value. If these preliminary results are adopted in our final results of administrative review, we will instruct the U.S. Customs Service to assess antidumping duties based on the difference between the export price and the normal value. Interested parties are invited to comment on these preliminary results. Parties who submit arguments in this proceeding are requested to submit with the arguments: (1) a statement of the issues; and (2) a brief summary of the arguments.

EFFECTIVE DATE: August 6, 1999.

The Department is conducting this review in accordance with section 751 of the Act.
