SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-41717; SR-MBSCC-99-05]

Self-Regulatory Organizations; MBS Clearing Corporation; Notice of Filing of Proposed Rule Change Relating To Acceptance of Letters of Credit

August 6, 1999.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act"),¹ notice is hereby given that on June 25, 1999, MBS Clearing Corporation ("MBSCC") filed with the Securities and Exchange Commission ("Commission") the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by MBSCC. The Commission is publishing this notice to

solicit comments from interested persons on the proposed rule change.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The purpose of the proposed rule change is to modify MBSCC's rule regarding letters of credit accepted for clearing fund purposes to facilities implementation of the uniform letter of credit developed by the Uniform Clearing Group.²

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, MBSCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. MBSCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.³

(A) Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

Article IV, Rule 2, Section 9 of MBSCC's rules governs deposits of letters of credit by participants to the participants' fund for margin purposes. Currently, the rule requires participants to amend letters of credit expiring on September 1 by extending the expiration date to March 1 of the following year, and to deposit new letters of credit on March 1 of the following year. The proposed rule change will reverse these dates and require participants to annually provide new letters of credit by September 1 and to amend letters of credit by March 1. The proposed rule change will also require that letters of credit delivered to MBSCC on or after September 1, 1999, be in the form of the uniform letter of credit ("ULC") developed by the United Clearing Group ("UCG").

The UCG is an organization comprised of all of the major securities and futures clearing organizations and depositories in the U.S.⁴ The ULC was

² MBSCC attached a copy of the uniform letter of credit as Exhibit B to the filing.

³ The Commission has modified the text of the summaries prepared by MBSCC.

⁴ The members of the UCG include the Boston Stock Exchange Clearing Corporation, The Depository Trust Company, Government Securities Clearing Corporation, MBSCC, National Securities Clearing Corporation, Options Clearing Corporation, Board of Trade Clearing Corporation, Chicago Mercantile Exchange, Clearing Corporation of New

developed to foster uniformity among the various U.S. securities and futures clearing organizations with respect to the acceptable terms of letters of credit that are deposited as margin and to reduce operational burdens for industry participants and their letters of credit issuers. In developing the ULC, the UCG consulted with the National Standby Letter of Credit Committee of the International Financial Services Association (formerly known as the U.S. Council on International Banking) and several letters of credit issuing banks.

The ULC consists of a cover page with variable terms plus preprinted uniform terms. Variable terms include the name of the participant, the beneficiary clearing organization, the issuing bank, the amount of the credit, and the expiration date. To assist letter of credit issues and participants in completing the ULC, the UCG has drafted general instructions. In addition, MBSCC has provided supplemental instructions relating specifically to letters of credit furnished by MBSCC.

MBSCC expects that in the future modifications may be made to the ULC. If and when that occurs, MBSCC will require its members to use the revised form.⁵

MBSCC believes that the proposed rule change is consistent with the requirements of Section 17A of the Act and the rules and regulations thereunder because, among other things, it is designed to assure the safeguarding of securities and funds which are in the custody or control of MBSCC or for which it is responsible and to foster cooperation and coordination with persons engaged in the clearance and settlement of securities transactions.

(B) Self-Regulatory Organization's Statement on Burden on Competition

MBSCC does not believe that the proposed rule change will impose any burden on competition.

(C) Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No comments on the proposed rule change were solicited or received. MBSCC will notify the Commission of any written comments it receives.

York, Kansas City Board of Trade, Minneapolis Grain Exchange, New York Mercantile Exchange, Emerging Markets Clearing Corporation, and Clearing Corporation for Options and Securities.

⁵ MBSCC will file proposed rule changes with the Commission prior to requiring members to comply with substantive changes made to the ULC by the UCG.

- (b) Institute proceedings to determine whether the proposed rule change should be disapproved.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW., Washington, DC 20549-0609. SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-41714; File No. SR-MBSCC-99-02]

Self-Regulatory Organizations; MBS Clearing Corporation; Order Approving Proposed Rule Change Relating to MBSCC's Risk Management Rules and Procedures

August 6, 1999.

On April 15, 1999, the MBS Clearing Corporation ("MBSCC") filed with the Securities and Exchange Commission ("Commission") a proposed rule change (File No. SR-MBSCC-99-02) pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act").¹ Notice of proposal was published in the **Federal Register** on June 21, 1999.² No comment letters were received. For the reasons discussed below, the Commission is approving the rule change.

I. Description

The rule change makes several modifications to MBSCC's risk management rules. Specifically, the rule change: (i) Implements a net-out report, (ii) modifies financial reporting by participants, (iii) modifies certain special provisions applicable to nondomestic participants, (iv) adds a provision for additional assurances, and (v) clarifies MBSCC's role as agent in a liquidation.

The specific objectives of the rule change and the corresponding modifications to MBSCC's rules are described below.

1. Net-Out Report

The rule change modifies Article II, Rule 4 of MBSCC's rules to add a provision for a daily net-out report that will list all of a participant's open net-out obligations. Article I, Rule 1 of MBSCC's rules is also being modified to add a definition of the term "net-out report."

2. Financing Reporting

The rule change modifies Article III, Rule 1, Section 10 of MBSCC's rules to replace the general requirement for quarterly unaudited financial statements with a requirement that a participant must file unaudited financial statements as frequently as required by the participant's appropriate regulator. If a participant is not regulated or is a nondomestic participant, the participant must file monthly unaudited financial statements.

² Securities Exchange Act Release No. 41516 (June 10, 1999), 64 FR 33125.

3. Non-Domestic Participants

The rule change modifies Article III, Rule 1, Section 13 of MBSCC's rules to codify the existing practice of requiring non-U.S. participants to: (i) Execute and deliver to MBSCC a master agreement, (ii) provide MBSCC with an opinion of counsel, and (iii) confirm the master agreement and opinion of counsel as MBSCC's may require. The master agreement and the opinion of counsel generally address the enforceability of MBSCC's rules. Article I, Rule 1 of MBSCC's rules is also being modified to add definitions of the terms "master agreement" and "opinion of counsel."

4. Additional Assurances

The rule change modifies Article III, Rule 1 of MBSCC's rules by adding a new Section 16. The new section provides that any participant that contemplates it no longer will be in compliance with MBSCC's rules and procedures or will no longer be able to perform its contracts or satisfy its obligations to MBSCC or MBSCC participants must immediately notify MBSCC. If MBSCC has reasonable grounds to believe that a participant no longer will be in compliance with MBSCC's rules and procedures or no longer will be able to perform its contracts or satisfy its obligations to MBSCC or MBSCC participants, MBSCC may require additional information from such participant relating to its ability to comply with the rules and procedures, perform its contracts, and satisfy its obligations to MBSCC or MBSCC participants. MBSCC may also increase a participant's minimum required deposits to the participants fund if MBSCC has reasonable grounds to believe such conditions may exist. The new section also states that it does not restrict MBSCC from exercising its right at any time to cease to act for the participant pursuant to MBSCC's rules.

The new section providing for additional assurances is designed to enable MBSCC to better determine a participant's potential inability to meet its obligations and to increase the likelihood that a participant's collateral will be sufficient to satisfy its obligations.

5. MBSCC as Agent

The proposed rule change modifies Article III, Rule 3, Section 5(f) to make explicit that any distribution of funds relating to a participant for which MBSCC has ceased to act is made by MBSCC as agent. MBSCC's role as an agent in the distribution of funds is currently implied in MBSCC's rules
