

Angeles County Museum of Natural History by Helen Phillips Spears. No known individual was identified. No associated funerary objects are present.

Collections documentation indicates this individual was found with ten other individuals on the Robla Lomas Ranch. Documentation also suggests that these human remains are probably those of an individual killed by the Spanish during a battle known to have occurred at the Robla Lomas Ranch in 1832. Ethnohistoric information indicates that the Robla Lomas Ranch is within the historic territory traditionally occupied by the Southern Valley Yokuts, now represented by the present-day Tule River Indian Tribe of the Tule River Reservation. Consultation with representatives of the Tule River Indian Tribe of the Tule River Reservation confirm that these human remains are affiliated with the Tule River Indian Tribe of the Tule River Reservation.

Based on the above mentioned information, officials of the Los Angeles County Museum of Natural History have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the Los Angeles County Museum of Natural History have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and the Tule River Indian Tribe of the Tule River Reservation.

This notice has been sent to officials of the Tule River Indian Tribe of the Tule River Reservation and the Santa Rosa Indian Community of the Santa Rosa Rancheria. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains should contact Dr. Margaret A. Hardin, Anthropology Section, Los Angeles County Museum of Natural History, 900 Exposition Blvd., Los Angeles, CA 90007; telephone: (213) 763-3382; e-mail: Mhardin@nhm.org, before September 15, 1999. Repatriation of the human remains to the Tule River Indian Tribe of the Tule River Reservation may begin after that date if no additional claimants come forward.

Notice of Inventory Completion for Native American Human Remains from Navajo County, AZ in the Possession of the Los Angeles County Museum of Natural History, Los Angeles, CA

AGENCY: National Park Service, DOI.

ACTION: Notice.

Notice is hereby given in accordance with provisions of the Native American Graves Protection and Repatriation Act (NAGPRA), 43 CFR 10.9, of the completion of an inventory of human remains from Navajo County, AZ in the possession of the Los Angeles County Museum of Natural History, Los Angeles, CA

A detailed assessment of the human remains was made by Los Angeles County Museum of Natural History professional staff in consultation with representatives of the Hopi Tribe.

Between 1935 and 1965, human remains representing one individual were removed from the Homolobi (Homolovi 14) site in Navajo County, AZ under unknown circumstances by person(s) unknown. In 1969, these human remains were donated by Gordon Pond to the Los Angeles County Museum of Natural History. No known individuals were identified. No associated funerary objects are present.

Based on ethnohistoric information and Hopi oral tradition, the Homolobi site has been identified as ancestral to the Hopi Tribe. Consultation with representatives of the Hopi Tribe indicate the Homolobi site was inhabited exclusively by ancestors of the Hopi Tribe.

Based on the above mentioned information, officials of the Los Angeles County Museum of Natural History have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the Los Angeles County Museum of Natural History have also determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and the Hopi Tribe.

This notice has been sent to officials of the Hopi Tribe. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains should contact Dr. Margaret A. Hardin, Anthropology Section, Los Angeles County Museum of Natural History, 900 Exposition Blvd.,

Los Angeles, CA 90007; telephone: (213) 763-3382; e-mail: Mhardin@nhm.org, before September 15, 1999. Repatriation of the human remains to the Hopi Tribe may begin after that date if no additional claimants come forward.

The National Park Service is not responsible for the determinations within this notice.

SUPPLEMENTARY INFORMATION:

Background

On August 5, 1999, the Commission determined that the domestic interested party group responses to its notice of institution (64 FR 23672, May 3, 1999) were adequate and the respondent interested party group responses were inadequate. The Commission did not find any other circumstances that would warrant conducting full reviews.¹ Accordingly, the Commission determined that it would conduct expedited reviews pursuant to section 751(c)(3) of the Act.

Staff Report

A staff report containing information concerning the subject matter of the reviews will be placed in the nonpublic record on October 4, 1999, and made available to persons on the Administrative Protective Order service list for these reviews. A public version will be issued thereafter, pursuant to section 207.62(d)(4) of the Commission's rules.

Written Submissions

As provided in section 207.62(d) of the Commission's rules, interested parties that are parties to the reviews and that have provided individually adequate responses to the notice of institution,² and any party other than an interested party to the reviews may file written comments with the Secretary on what determinations the Commission should reach in the reviews. Comments are due on or before October 7, 1999, and may not contain new factual information. Any person that is neither a party to the five-year reviews nor an interested party may submit a brief written statement (which shall not contain any new factual information)

¹ A record of the Commissioners' votes, the Commission's statement on adequacy, and any individual Commissioner's statements will be available from the Office of the Secretary and at the Commission's web site.

² The Commission has found the responses submitted by Mill Iron Works, Trinity Fitting and Flange Group, Tube Forgings of America, and Weldbend to be individually adequate. Comments from other interested parties will not be accepted (see 19 CFR 207.62(d)(2)).

pertinent to the reviews by October 7, 1999. If comments contain business proprietary information (BPI), they must conform with the requirements of sections 201.6, 207.3, and 207.7 of the Commission's rules. The Commission's rules do not authorize filing of submissions with the Secretary by facsimile or electronic means.

In accordance with sections 201.16(c) and 207.3 of the rules, each document filed by a party to the reviews must be served on all other parties to the reviews (as identified by either the public or BPI service list), and a certificate of service must be timely filed. The Secretary will not accept a document for filing without a certificate of service.

Determination

The Commission has determined to exercise its authority to extend the review period by up to 90 days pursuant to 19 U.S.C. § 1675(c)(5)(B).

Authority: These reviews are being conducted under authority of title VII of the Tariff Act of 1930; this notice is published pursuant to section 207.62 of the Commission's rules.

Issued: August 11, 1999.

By order of the Commission.

Secretary.
