[Docket No. GT99-64-000]

Tennessee Gas Pipeline Company; Notice of Tariff Filing

August 16, 1999

Take notice that on August 11, 1999, Tennessee Gas Pipeline Company (Tennessee), tendered for filing and Commission approval: (1) a Gas Transportation Agreement between Tennessee and Pemex Gas y Petroquímica Básica (PGPB Service Agreement), and (2) Fifth Revised Sheet No. 413 of Tennessee's FERC Gas Tariff, Fifth Revised Volume No. 1. Tennessee requests an effective date of September 1, 1999.

Tennessee states the PGPB Service Agreement is being filed as a non-conforming service agreement. In addition, Tennessee states the tariff sheet references the PGPB Service Agreement as a non-conforming service agreement.

On October 20, 1998, in Docket No. CP99-28-000, Tennessee filed pursuant to Section 3 of the NGA and Subparts B and C of Part 153 of the Commission's Regulations for: (i) an order authorizing the siting, construction, operation, and maintenance of pipeline facilities and the place of entry and exit for import and export of natural gas at the International boundary between the United States and Mexico in Hidalgo County, Texas; and (ii) a Presidential Permit for the construction, operation, maintenance, and connection of such facilities. In addition, on October 20, 1998 in Docket No. CP99-29-000, Tennessee filed a request under the Commission's blanket authorization prior notice procedures in order to obtain Commission authorization to construct and operate a new delivery point and related facilities to permit delivery of up to 185,000 Dth per day of natural gas to PGPB near the International boundary between the United States and Mexico. In connection with this project, on September 30, 1998, Tennessee and PGPB executed the PGPB Service Agreement for use under Tennessee's Rate Schedule FT-A for transportation of up to 185,000 Dth per day for PGPB upon completion and in-service of the facilities.

Tennessee states that it is filing the PGPB Service Agreement for Commission approval as a non-conforming service agreement pursuant to Section 154.1(d) of the Commission's regulations because the PGPB Service

Agreement contains provisions which may "deviate in [a] material aspect" from Tennessee's pro forma FT-A Agreement.

Tennessee states that copies of the filing have been mailed to all of Tennessee's customers and affected state regulatory commissions.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance with Section 154.210 of the Commission's Regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceedings. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
