

### Final Results of Changed Circumstances AD and CVD Reviews, and Revocation of Orders in Part

Based on the affirmative statement of no interest by petitioners, combined with the lack of comments from interested parties, the Department has determined that substantially all of the domestic producers have no further interest in maintaining these orders with respect to certain corrosion-resistant carbon steel flat products, described above, in accordance with section 782(h) of the Act. This lack of interest by domestic producers constitutes changed circumstances sufficient to warrant partial revocation of these orders. Therefore, the Department is partially revoking these orders on certain corrosion-resistant carbon steel flat products with respect to deep-drawing carbon steel strip, roll-clad on both sides with aluminum (AlSi) foils in accordance with St3 LG as to EN 10139/10140, as described above, in accordance with sections 751(b) and 782(h) of the Act and 19 CFR 351.216(d). This partial revocation applies to all unliquidated entries of certain corrosion-resistant carbon steel flat products described above that are not covered by the final results of an administrative review.

The Department will instruct the U.S. Customs Service to proceed with liquidation, without regard to antidumping or countervailing duties, of all unliquidated entries of deep-drawing carbon steel strip, roll-clad on both sides with aluminum (AlSi) foils in accordance with St3 LG as to EN 10139/10140, as described above, as provided under section 778 of the Act.

These changed circumstances administrative reviews, partial revocations of the antidumping duty and countervailing duty orders and notice are in accordance with sections 751(b) and 782(h) of the Act and §§ 351.216, 351.221(c)(3) and 351.222(g)(1)(i) of the Department's regulations.

#### Amendment to Certain Pasta From Italy: Final Results of the Second Countervailing Duty Administrative Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Amendment of Final Results of Countervailing Duty Administrative Review.

**SUMMARY:** On August 16, 1999, the Department of Commerce published in the **Federal Register** its final results of the second administrative review of the countervailing duty order on certain pasta from Italy for the period January 1, 1997 to December 31, 1997 (64 FR 44489). After publishing the final results, we discovered one calculation error, and we received a timely filed allegation regarding another ministerial error.

**EFFECTIVE DATE:** September 22, 1999.

#### FOR FURTHER INFORMATION CONTACT:

Vincent Kane, Sally Hastings or Suresh Maniam, AD/CVD Enforcement, Group I, Office 1, Import Administration, US Department of Commerce, Room 1870, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone (202) 482-2815, 482-3463, 482-0176, respectively.

#### Corrections

*Audisio Industrie Alimentari S.p.A* ("Audisio") and *Pastificio Fabianelli S.p.A* ("Fabianelli")

The Department of Commerce ("the Department") inadvertently miscalculated the duty rates for respondents Audisio and Fabianelli. In the final notice, we specified a total duty rate of 1.03 percent for Audisio and 0.49 percent for Fabianelli. In calculating these rates, we erroneously attributed a European Social Fund (ESF) subsidy rate in the amount of 0.04 percent to Fabianelli. The ESF subsidy rate instead should have been attributed to Audisio. Neither the petitioners<sup>1</sup> nor the respondents have made a ministerial error allegation with respect to this miscalculation, and the Department is correcting this error on its own initiative.

<sup>1</sup> The petitioners in this review are Borden, Inc., Hershey Foods Corp. and Gooch Foods, Inc.

*Delverde, Srl* ("Delverde") and *Tamma Industrie Alimentari, Srl* ("Tamma")

On August 26, 1999, respondent (Delverde/Tamma) timely filed a ministerial error allegation. Delverde/Tamma states that, with respect to one publicity grant, the Department should not have countervailed the entire amount of the grant, but instead should have countervailed only that portion of the grant attributable to pasta products. Respondent further states that countervailing only the pasta portion of the grant would be consistent with our previous calculations in the original investigation (see *Final Affirmative Countervailing Duty Determination: Certain Pasta from Italy* 61 FR 30288, 30303 (June 14, 1996)) and the first administrative review (see *Certain Pasta from Italy: Final Results of the Countervailing Duty Administrative Review*, 63 FR 43905, 43907 (August 17, 1998)). We agree with the respondent that the Department inadvertently countervailed the entire amount of the grant rather than only that portion of the grant received for pasta products. The petitioners have not commented on this ministerial error allegation. We have made the suggested corrections for the amended final results.

#### Amended Final Results of Review

Pursuant to the Department's regulations at 19 CFR 351.224(e), we correct the duty rates for Audisio, Fabianelli, Delverde, and Tamma to be as follows:

#### AD VALOREM RATES

Producer/Exporter	01/01/97 through 12/31/97 (percent)
Audisio Industrie Alimentari S.p.A.	1.07
Pastificio Fabianelli S.p.A. ....	0.45
Delverde, Srl .....	3.98
Tamma Industrie Alimentari, Srl ..	3.98

The Department will instruct the US Customs Service ("Customs") to assess countervailing duties on all appropriate entries on or after January 1, 1997, and on or before December 31, 1997. The Department will issue liquidation instructions directly to Customs. The amended deposit requirements are effective for all shipments of the subject merchandise entered, or withdrawn from warehouse, for consumption on or after the date of publication of this notice and shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a reminder to all parties subject to an administrative protective order (APO) of their

responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 355.34(d). Timely written notification of return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is sanctionable violation.

This amendment to the final results of the countervailing duty administrative review notice is in accordance with section 751(a)(1) of the Tariff Act, as amended, (19 U.S.C. 1675(a)(1), 19 CFR 351.213, and 19 CFR 351.221(b)(5)).

[Docket Number 990809210-9210-01]

#### Voluntary Product Standard; DOC PS 20-99 "American Softwood Lumber Standard"

**AGENCY:** National Institute of Standards and Technology, Commerce.

**ACTION:** Notice.

**SUMMARY:** The National Institute of Standards and Technology (NIST) announces voluntary product standard DOC PS 20-99 "American Softwood Lumber Standard" is to supersede DOC PS 20-94. The Standard establishes standard sizes and requirements for developing and coordinating the lumber grades of the various species of softwood lumber, the assignment of design values, and the preparation of grading rules applicable to each species. Its provisions include implementation of the Standard through an accreditation and certification program; establishment of principal trade classifications and lumber sizes for yard, structural, factory/shop use; classification, measurement, grading and grade-marking of lumber; definitions of terms and procedures to provide a basis for the use of uniform methods in the grading, inspection, measurement and description of softwood lumber; commercial names of the principal softwood species; definitions of terms used in describing standard grades of lumber; and commonly used industry abbreviations. The Standard also includes the organization and functions of the American Lumber Standard

Committee, the Board of Review, and the National Grading Rule Committee.

**DATES:** DOC PS 20-99 "American Softwood Lumber Standard," a voluntary product standard developed under Department of Commerce procedures, becomes effective September 1, 1999, for products produced thereunder on and after that date. The standard being superseded, DOC PS 20-94 "American Softwood Lumber Standard," is effective for products produced thereunder through August 1, 1999.

**ADDRESSES:** Requests for a copy of DOC PS 20-99 should be submitted to the Technical Standards Activities program, NIST, 100 Bureau Drive Stop 2150, Gaithersburg, MD 20899-2150.

**FOR FURTHER INFORMATION CONTACT:** Barbara M. Meigs, Technical Standards Activities Program, telephone: 301-975-4025, fax: 301-926-1559, e-mail: barbara.meigs@nist.gov.

**SUPPLEMENTARY INFORMATION:** DOC PS 20-99 "American Softwood Lumber Standard" was developed by the American Lumber Standard Committee, the Standing Committee responsible for maintaining DOC PS 20-94. The revision was processed in accordance with provisions of Department "Procedures for the Development of Voluntary Product Standards" (15 CFR Part 10, as amended; 51 FR 119 dated June 20, 1986). A notice, which appeared in the **Federal Register** on February 1, 1999 (54 FR 4844-4845), announced NIST's circulation of the revision for public review and comment and provided the history of the revision.

An analysis of the results of the comments and responses received by NIST indicated that the revision was supported by a consensus (general concurrence and, in addition, no substantive objection deemed valid by the Department); therefore, in accordance with DOC procedures, DOC PS 20-99 supersedes DOC PS 20-94, effective September 1, 1999. The new edition reflects efforts toward updating and improving the presentation of DOC PS 20 with clarification and simplification of text and terms while maintaining the technical requirements and administrative structure for implementing and enforcing the Standard.
