SUPPLEMENTARY INFORMATION:

On August 10, 1999, at 64 FR 43530, HUD published the Resident Opportunities and Self Sufficiency (ROSS) Program NOFA (ROSS NOFA). The ROSS NOFA made funds available under three funding categories: Technical Assistance/Training Support for Resident Organizations (which has two subcategories: Resident Management and Business Development, and Capacity Building and/or Conflict Resolution) Resident Service Delivery Models, and Service Coordinators (Elderly/Disabled). This notice amends the ROSS NOFA requirements, as explained below. Applicants must still comply with all of the other application submission requirements as stated in the August 10, 1999 NOFA. Applicants that have already applied under the August 10, 1999 NOFA do not need to reapply.

Technical Assistance/Training Support for Resident Organizations

The ROSS NOFA included provisions, at sections IV.(A)(3) and IV.(B)(3) that previous TOP grantees must demonstrate that they have spent at least 75 percent of any prior grant by the publication date of the ROSS NOFA. This requirement was to be used as a measure of an applicant's capacity, and to make funding more widely available by avoiding duplicate, overlapping funding. To make these sections consistent with the rest of the ROSS NOFA, from which similar 75 percent spending requirements are being removed, these provisions are being removed. Instead, for applicants under this category, the ROSS NOFA is being amended, at sections IV.(A)(9) and IV.(A)(8), to provide that based on the applicant's past experience and Field Office knowledge of the applicant's capacity to perform, the Field Office will determine whether or not the applicant is eligible for an award.

Resident Service Delivery Models (RSDM)

The August 10, 1999 ROSS Program NOFA provided, at paragraph V.(C)(3) for the RSDM funding category, that previous EDSS, TOP, or Service Coordinator grantees must demonstrate that they have spent at least 75 percent of any prior grant by the publication date of the ROSS NOFA. This requirement is being removed to expand the pool of eligible applicants.

Service Coordinators for Elderly and Persons With Disabilities

With respect to the Service Coordinators category, the PHA eligibility threshold of spending 75 percent of prior Service Coordinator or EDSS grants is removed. All PHAs with prior Service Coordinator grants may apply for renewal of their Service Coordinator grants. Conforming changes are made to section VI.(G) to remove a reference to 75%, and to section VI.(I) of the ROSS NOFA to say that grants will be renewed as applications are received. The last sentence in paragraph VI(I), which discusses how funds will be distributed to other funding categories if all funds are not awarded in the Service Coordinator funding category is also being removed. Since all Service Coordinator category funds will be awarded for Service Coordinator grants, this sentence is not necessary.

Accordingly, FR Doc. 99-20429, the Notice of Funding Availability for the Resident Opportunities and Self Sufficiency published in the **Federal Register** on August 10, 1999 (64 FR 43530) is amended as follows:

1. On page 43532, in the second column, paragraph IV.(A)(3) is revised to read as follows:

(3) *Eligible applicants.* Site-Based Resident Associations (RAs), City-Wide Resident Organizations (CWROs), and Tribes/TDHEs that partner with Tribal ROs and Tribal RMCs. If an RA is a beneficiary or recipient of proposed grant activities by a CWRO, then that RA cannot also apply under this category. Applications from a Tribe or TDHE must include a Memorandum of Understanding (MOU) (see section IV.(A)(8)(b), below, of this NOFA) with the Tribal RO or RMC.

2. On page 43535, in the first column, paragraph IV.(A)(9) is revised to read as follows:

(9) *Application Selection Process.* Applicants for Resident Management and Business Development grants are required to address application submission requirements, but are not required to address selection factors. Based on the applicant's past experience

and Field Office knowledge of the applicant's capacity to perform, the Field Office will determine whether or not the applicant is eligible for an award. Eligibility will also be determined by applications that meet the threshold requirements of sections IV.(A)(8) and VII. of this NOFA. * * *

3. On page 43535, in the third column, paragraph IV.(B)(3)(d) is removed.

4. On page 43536, in the third column, paragraph IV.(B)(8) is revised to read as follows:

(8) *Application Selection Process.* Applicants for Conflict Resolution or Capacity Building grants are required to address application submission requirements but are not required to address selection factors. Applicants are required to include letters of support from the PHA or Tribe on behalf of RAs or Tribal ROs and RMCs to be served (see section IV.(B)(7)(f), above, of this NOFA). Based on the applicant's past experience and Field Office knowledge of the applicant's capacity to perform, the Field Office will determine whether or not the applicant is eligible for an award. Eligibility will also be determined by applications that meet the threshold requirements of sections IV.(B)(7) and VII. of this NOFA. * * *

5. On page 43537, in the third column, paragraph V.(C)(3) is removed, and paragraph V.(D)(4) is redesignated as paragraph V.(C)(3).

6. On page 43543, in the middle column, paragraph VI.(C)(2) is removed, and paragraph VI.(C)(3) is redesignated as paragraph VI.(C)(2).

7. On page 43543, in the third column, paragraph VI.(G)(2)(e) is removed, and paragraphs VI.(G)(2)(f), (g), (h), (i), (j), (k), (l), and (m), are redesignated as paragraphs VI.(G)(2)(e), (f), (g), (h), (i), (j), (k), and (l), respectively.

8. On page 43544, in the middle column, paragraph VI.(I) is revised to read as follows:

(I) *Application Selection Process.* Applicants for Elderly or Persons with Disabilities Service Coordinator grants are required to address application submission requirements, but are not required to address selection factors. To be eligible for funding, an application must meet the threshold requirements of sections VI.(H) and VII. of this NOFA, and submit all information required under this NOFA. HUD will renew expiring Service Coordinator grants for up to 12 months as applications are received until funds in this funding category are exhausted.

Dated: September 17, 1999.

Harold Lucas,

Assistant Secretary, Office of Public and Indian Housing.
