Announcement of Funding Awards for the Brownfields Economic Development Initiative Program; Fiscal Year 1999

AGENCY: Office of the Assistant Secretary for Community Planning and Development, HUD.

ACTION: Notice of funding awards.

SUMMARY: In accordance with section 102 (a)(4)(C) of the Department of

Housing and Urban Development Reform Act of 1989, this announcement notifies the public of funding decisions made by the Department in a competition for funding under the Super Notice of Funding Availability (SuperNOFA) for the Brownfields Economic Development Initiative (BEDI) Program. This announcement contains the names of the awardees and the amounts of the awards made available by HUD.

FOR FURTHER INFORMATION CONTACT: Mr. Donner Buchet, Director, Community and Economic Development Services, Office of Community Planning and Development, 451 7th Street, SW, Washington, DC 20410; telephone (202) 708-2290 (this is not a toll-free number). Hearing- and speech-impaired persons may access this number via TTY by calling the Federal Relay Service toll-free at 1-800-877-8339. For general information on this and other HUD programs, call Community Connections at 1-800-998-9999 or visit the HUD Website at <http://www.hud.gov>.

SUPPLEMENTARY INFORMATION: The Brownfields Economic Development Initiative (BEDI) program was enacted in 1998 and is intended to complement and enhance the Section 108 Loan Guarantee program. The BEDI program is authorized under Section 108(q), Title I, Housing and Community Development Act of 1974, as amended, (42 U.S.C. 5301-5320) (the Act); 24 CFR part 570. The competition was announced in the SuperNOFA published in the **Federal Register** on February 26, 1999 (64 FR 9801). Applications were rated and selected for funding on the basis of selection criteria contained in that Notice.

BEDI is designed to help cities redevelop abandoned, idled, or underutilized industrial and commercial facilities where expansion or redevelopment is complicated by real or perceived environmental contamination. BEDI provides funding to local governments to be used in conjunction with Section 108 loan guarantees to finance redevelopment of brownfield sites. The purpose of BEDI grant funds is to minimize the potential loss of future CDBG allocations by: strengthening the economic feasibility of the projects financed with Section 108 funds; directly enhancing the security of the guaranteed loan; or through a combination of these or other risk mitigation techniques. BEDI and Section 108 loan guarantee funds are intended to finance projects and activities that will provide near-term results and demonstrable economic

benefits, such as job creation and increases in the local tax base.

The Catalog of Federal Domestic Assistance number for this program is 14.246.

A total of \$25,000,000 was awarded to 21 projects nationwide. In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545), the Department is publishing the grantees and amounts of the awards in Appendix A to this document.
