(3) encourage the design, development, and adoption of EERE technology-based strategies for accomplishing environmental and human health objectives under the Clean Air Act and other environmental laws and policies, particularly at the State and Local government level;

(4) encourage the use of Geographical Information Systems (GIS) and other computer-assisted analytical, planning, and decision-support tools to assist communities to evaluate the energy, environmental, and economic impacts and costs of various options for energy generation, distribution, and use; and

(5) develop financial risk and liability models for investments in EERE technologies and systems in order to assist investors and other stakeholders to evaluate financial risk exposure resulting from energy investment choices.

In addition, financial assistance applications will be requested to support region-wide technical assistance activities in developing countries and countries in transition to support the development of human and institutional capabilities related to EERE by governmental entities, not-for-profit organizations, and industry organizations. The region-wide activities must encompass one of the following regions: Latin America, Africa, South Asia, or Eastern Europe, and encompass several countries within that region.

Million Solar Roofs Initiative (MSRI)—The purpose of the MSRI is to spur the installation of solar energy systems on one million U.S. buildings by 2010. The initiative seeks to catalyze market demand through the elimination of barriers to the use of solar energy systems on buildings and the establishment of State and Community Partnerships. Applications will be requested under this solicitation to develop information, training, and workshops to assist in the elimination of specific barriers. A separate solicitation providing direct support to Million Solar Roofs State and Community Partnerships will be issued by the Golden Field Office not later than January 2000. Additional information about the programs of the Office of EERE can be obtained at the Office's Internet site at <http://www.eren.doe.gov/ee.html>.

Natural Gas Pipeline Company of America; Notice of Compliance Filing

October 26, 1999.

Take notice that on October 18, 1999, Natural Gas Pipeline Company of

America (Natural) submitted for filing as part of its FERC Gas Tariff, Sixth Revised Volume No. 1 and Second Revised Volume No. 2, certain tariff sheets to be effective October 18, 1999.

Natural states that these tariff sheets were filed to cancel gas exchange agreements between Natural and Transcontinental Gas Pipe Line Corporation (Transco) under Natural's Rate Schedules X-59, X-71, X-117 and X-135. Natural states that the tariff sheets were filed in compliance with Ordering Paragraph (A) of the Federal Energy Regulatory Commission's (Commission) order issued October 6, 1999 in Docket No. CP99-613-000.

Natural requested waiver of the Commission's Regulations to the extent necessary to permit the tendered tariff sheets to become effective October 18, 1999, the date of this filing, pursuant to current Commission policy.

Natural states that it mailed a copy of this filing to the affected party, Transco.

Any person desiring to protest this filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, in accordance with Section 385.211 of the Commission's Rules and Regulations. North American Energy Conservation, Inc. v. CNG Transmission Corporation; Notice of Compliance Filing

October 26, 1999.

Take notice that on October 18, 1999, CNG Transmission Corporation (CNG) tendered a filing in the above referenced docket to comply with the Commission's order dated September 17, 1999 in this proceeding. 88 FERC 61,255 (1999) ("September 17 Order").

CNG included its compliance as part of another document which included its request for rehearing of the September 18, 1999 order, in Docket No. RP99-477-001.

CNG states that the Commission Order directed CNG to respond to several questions about CNG's capacity reservation and posting practices. CNG states the Commission outlined three specific issues with respect to CNG's practices: (1) reservation of capacity; (2) minimum term posting; and (3) an August 2, 1999 posting. CNG states that its filings addresses these issues.

CNG requests confidential treatment for shipper agreements submitted as Attachments A and B of said filing. As explained in the filing, CNG asserts that public disclosure of this information would put one of CNG's customers at a competitive disadvantage.

Any party desiring to comment in this filing should file comments with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, on or before November 8, 1999. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. TransColorado Gas Transmission Company; Notice of Request for Limited Waiver

October 26, 1999.

On October 15, 1999, pursuant to Rule 207 of the Federal Energy Regulatory Commission's (Commission) Rules of Practice and Procedure, TransColorado Gas Transmission Company (TransColorado) hereby petitions the Commission for a limited waiver of Section 284.10(b) of the Commission's Regulations and the nomination procedures in TransColorado's FERC Gas Tariff.

Specifically, TransColorado seeks waiver of certain nomination cycles during the period between the end of 1999 and the beginning of 2000 (Y2K rollover period). The limited waiver is intended to diminish the potential for business disruptions and to promote stability of business transactions during the Y2K rollover period. The requested waiver is consistent with the limited waiver that Southern Natural Gas Company (Southern) and its affiliate pipelines filed on or about October 12, 1999 (Southern model), except that TransColorado does not request waiver for capacity-release transactions as did Southern.

Any person desiring to be heard or to protest said filing should file a motion to intervene or a protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Sections 385.214 or 385.211 of the Commission's Rules and Regulations. All such motions or protests must be filed in accordance
