Office of Inspector General

Healthcare Integrity and Protection Data Bank: Announcement of Opening Date for Reporting and Self-Query Fee

AGENCY: Office of Inspector General (OIG), HHS.

ACTION: Notice.

In accordance with final regulations implementing the Healthcare Integrity and Protection Data Bank (HIPDB) published in the **Federal Register** on October 26, 1999 (64 FR 57740), the Office of Inspector General (OIG) is announcing that the data bank will become operational for purposes of reporting information on November 22, 1999. In addition, the Department now is exercising its authority to impose a fee for self-queries to the data bank and is announcing a ten dollar fee for health care practitioners, providers or suppliers who request information about themselves (self-queries) from the HIPDB.

1. Reportable Actions

All reportable actions taken since August 21, 1996, the date of passage of the HIPDB's authorizing statute, section 221(a) of the Health Insurance Portability and Accountability Act (HIPAA) of 1996, must be reported to the HIPDB beginning November 22, 1999—the opening operational date for the data bank. To submit reports, registered entities must use the HIPDB web site at www.npdb-hipdb.com. Specific guidelines for reporting also can be found on this web site.

2. Self-query User Fee Amount

In conjunction with the opening of the HIPDB for reporting and as part of its obligations under the Privacy Act, the Department is offering at this time self-querying to health care practitioners, providers and suppliers.

Section 1128E(d)(2) of the Social Security Act, as added by section 221(a) of HIPAA, specifically authorizes the establishment of fees for the costs of processing requests for disclosure and for providing such information, and the final regulations at 45 CFR part 61 set forth the criteria and procedures for information to be reported to and disclosed by the HIPDB. The Act requires that the Department recover the full costs of operating the HIPDB through user fees. In determining any changes in the amount of the user fee, the Department is employing the criteria set forth in * 61.13(b) of the HIPDB regulations.
