### National Oceanic and Atmospheric Administration

#### 50 CFR Part 622

[Docket No. 990924262–9262–01; I.D. 091699A]

#### Fisheries of the Caribbean, Gulf of Mexico, and South Atlantic; Technical Amendment

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Final rule; technical amendment.

**SUMMARY:** This final rule, technical amendment, revises outdated terminology, removes outdated provisions, and makes other minor changes for clarity and consistency. The intended effect of this final rule is to conform the regulatory language to current terms and to improve readability and clarity of the regulations.

**DATES:** This rule is effective November 2, 1999.

**FOR FURTHER INFORMATION CONTACT:** Rodney C. Dalton, phone: 727–570–5325 or fax: 727–570–5583.

**SUPPLEMENTARY INFORMATION:** In 1996, the title of a NMFS Regional Director was changed to “Regional Administrator.” This rule revises 50 CFR part 622 accordingly.

NMFS is replacing the term “sunset” with the term “official sunset” where it appears in 50 CFR part 622 and is adding definitions for the terms “official sunrise” and “official sunset.” “Official sunrise” and “official sunset” are defined as the times for sunrise and sunset as determined for the date and location in *The Nautical Almanac*, prepared by the U.S. Naval Observatory. These definitions conform with the historical usage of the terms “sunset” and “sunrise.” *The Nautical Almanac* is available from the Government Printing Office and from commercial sources. In addition, times for any specified date and location may be obtained via the Internet at <http://www.usno.navy.mil/>.

For consistency with the paragraphing style in § 622.4(a)(2), a heading is added for paragraph (a)(2)(x).

The allowable harvest of wild live rock in the Gulf EEZ was discontinued at the end of 1996. This final rule removes language regarding permits, quotas, and trip limits for such harvest and at § 622.45(e) makes the prohibitions on harvest of wild live rock uniform for both the Gulf and South Atlantic EEZ. Allowable harvest of wild

live rock was discontinued in the South Atlantic EEZ at the end of 1995.

#### Classification

This final rule has been determined to be not significant for purposes of E.O. 12866.

Because this rule makes only nonsubstantive and technical changes to existing regulations, no useful purpose would be served by providing advance notice and opportunity for public comment. Accordingly, the Assistant Administrator for Fisheries, NOAA, under 5 U.S.C. 553(b)(B), finds for good cause that providing notice and opportunity for public comment is unnecessary. Because the technical changes made by this rule are nonsubstantive, they are not subject to a 30-day delay in effective date under 5 U.S.C. 553(d).

Because prior notice and opportunity for public comment are not required for this rule by 5 U.S.C. 553, or any other law, the analytical requirements of the Regulatory Flexibility Act, 5 U.S.C. 601 *et seq.* are inapplicable.
