SUPPLEMENTARY INFORMATION: The National Assessment Governing Board is established under section 412 of the National Education Statistics Act of 1994 (Title IV of the Improving America's Schools Act of 1994) (P.L. 103–382).

The Board is established to formulate policy guidelines for the National Assessment of Education Progress, (NAEP). The Board is responsible for selecting subject areas to be assessed, developing assessment objectives, identifying appropriate achievement goals for each grade and subject tested, and establishing standards and procedures for interstate and national comparisons. Under P.L. 105–78, the National Assessment Governing Board is also granted exclusive authority over developing the Voluntary National Tests, (VNT) pursuant to contact number RJ9753001.

On Thursday, November 18, there will be meetings of three committees of the Governing Board. Subject Area Committees #1 will meet from 3:30–5:30 p.m. to discuss the NAEP Foreign Language framework development project; the NAEP writing online study; and the National Academy Year 2 Evaluation of the Voluntary National test in reading.

The Design and Methodology Committee will meet from 3:30–5:30 p.m. to review the technical issues and the inclusion and accommodations chapters of the NRC Report: Evaluation of the VNT, Year 2. The Committee will hear the proposed field test design for the VNT and take action on the proposed plans for VNT in FY 2000. For

the National Assessment of Educational Project, the Committee will take action on two draft policies: NAEP short-form, and NAEP testing window. Also, the Committee will hear a progress report on the NAS evaluation of NAEP.

The Executive Committee will meet from 5:30 to 6:15 p.m. in open session. In the open session the Executive Committee will review the final appropriations bill; consider plans for the Voluntary National Tests; develop new initiatives for NAGB; hear an update on NAGB redesign issues. Then the Executive Committee will meet in closed session from 6:15 to 7:00 p.m. The Committee will discuss the development of cost estimates for NAEP and future contract initiatives. This portion of the meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial effect on the NAEP program. The discussion of this information would be likely to significantly frustrate implementation of a proposed agency action if conducted in open session. Such matters are protected by exemption 9(B) of Section 552b(c) of Title 5 U.S.C.

On November 19, the full Board will convene in open session beginning at 8:30 a.m. The agenda for this session of the full Board meeting includes approval of the agenda. Also, the morning agenda will include a report from the Executive Director, and an update of the NAEP project. This session will conclude with the administration of the oath of office to new members and remarks by the Secretary of Education.

Subject Area Committee #2 will meet in open session from 10:00–11:00 a.m. to discuss the National Academy Year 2 Evaluation of the Voluntary National Test in Mathematics.

From 11:00–11:30 a.m., Subject Area Committees 1 and 2, and the Achievement Levels Committee will meet in joint session to hear a presentation on the use of technology in the development, delivery, and analysis of NAEP assessments of the future.

Subject Area Committee #2 will meet in closed session from 11:30 a.m.–12:00 noon to review a draft RFP for the NAEP math online study. This meeting must be conducted in closed session because public disclosure of this information would likely have an adverse financial effect on the NAEP program. The discussion of this information would be likely to significantly frustrate implementation of a proposed agency action if conducted in an open session. Such matters are protected by

exemption 9(B) of section 552b(c) of Title of 5 U.S.C.

There will be open meetings of the Achievement Levels and Reporting and Dissemination Committees. From 10:00–10:30 a.m., the Achievement Levels and the Reporting and Dissemination Committees will meet in joint to receive a briefing on a report to Congress concerning the public perception of achievement levels.

From 11:00 a.m.–12:00 noon, the Achievement Levels Committee will review the preliminary findings from the VNT Achievement Levels study. The Reporting and Dissemination Committee will hear an update on “market-basket” reporting of NAEP results; review categories of race/ethnicity reporting; review the work plan on score reporting for proposed VNT; and will hear an update on district-level reporting.

The full Board will reconvene 12:00 noon to 4:30 p.m. The agenda includes a briefing on the NAEP 1998 Civics Report Card; an update and discussion on NAEP, NAGB, and VNT legislation; an update on a report to Congress on Achievement Levels, and a report on ALLSTATES 2000.
