DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of Inspector General

Program Exclusions: October 1999

AGENCY: Office of Inspector General, HHS.

ACTION: Notice of program exclusions.

During the month of October 1999, the HHS Office of Inspector General imposed exclusions in the cases set forth below. When an exclusion is imposed, no program payment is made to anyone for any items or services (other than an emergency item or service not provided in a hospital emergency room) furnished, ordered or prescribed by an excluded party under the Medicare, Medicaid, and all Federal Health Care programs. In addition, no program payment is made to any business or facility, e.g., a hospital, that submits bills for payment for items or services provided by an excluded party. Program beneficiaries remain free to decide for themselves whether they will

continue to use the services of an excluded party even though no program payments will be made for items and services provided by that excluded party. The exclusions have national effect and also apply to all Executive Branch procurement and non-procurement programs and activities.

pursuant to the National Environmental Policy Act and its implementing regulations.

DATES: The Service will be open to written comments through January 1, 2000.

ADDRESSES: Address comments and requests for more information to: Mr. Lou Bridges, Project Coordinator, Research Management Consultants, Inc., 1746 Cole Blvd., Bldg. 21, Suite 300, Golden, CO 80401.

SUPPLEMENTARY INFORMATION: It is Service policy to have all lands within the National Wildlife Refuge System managed in accordance with an approved CCP. The CCP guides management decisions and identifies refuge goals, long-range objectives, and strategies for achieving refuge purposes. The planning process will consider many elements, including habitat and wildlife management, habitat protection and acquisition, public and recreational uses, and cultural resources. Public input into this planning process is essential. The CCP will provide other agencies and the public with a clear understanding of the desired conditions for the Refuges and how the Service will implement management strategies.

The Service intends to gather information necessary to prepare a CCP and other environmental documents for Hagerman National Wildlife Refuge, Sherman, Texas; Washita and Optima National Wildlife Refuges, Butler, Oklahoma; Tishomingo National Wildlife Refuge, Tishomingo, Oklahoma. The Service is furnishing this notice in compliance with Service CCP policy: (1) to advise other agencies and the public of our intentions, and (2) to obtain suggestions and information on the scope of issues to include in the environmental documents.

Additional opportunities for written comments will be provided during the draft review process. If necessary, the Service will solicit information from the public via open houses, meetings, and workshops. Special mailings, newspaper articles, and announcements will inform people in the general area near each refuge of the current status of the project as well as the time and place of any meetings to be conducted.

Review of these projects will be conducted in accordance with the requirements of the National Environmental Policy Act of 1969, as amended (42 U.S.C. 4321 *et seq.*), NEPA Regulations (40 CFR parts 1500-1508), other appropriate Federal laws and regulations, including the National Wildlife Refuge System Improvement Act of 1997, Executive Order 12996, and
