FEDERAL COMMUNICATIONS COMMISSION

Notice of Public Information Collection(s) Being Reviewed by the Federal Communications Commission for Extension Under Delegated Authority, Comments Requested

November 15, 1999.

SUMMARY: The Federal Communications Commission, as part of its continuing effort to reduce paperwork burden invites the general public and other Federal agencies to take this opportunity to comment on the following information collection(s), as required by the Paperwork Reduction Act of 1995, Public Law 104-13. An agency may not conduct or sponsor a collection of information unless it displays a currently valid control number. No person shall be subject to any penalty for failing to comply with a collection of information subject to the Paperwork Reduction Act (PRA) that does not display a valid control number. Comments are requested concerning (a) whether the proposed collection of information is necessary for the proper performance of the functions of the Commission, including whether the information shall have practical utility; (b) the accuracy of the Commission's burden estimate; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on the respondents, including the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be submitted on or before January 24, 2000. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Les Smith, Federal Communications Commissions, Room 1 A-804, 445 Twelfth Street, S.W., Washington, DC 20554 or via the Internet to lesmith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Les Smith at (202) 418-0217 or via the Internet at lesmith@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0288.

Title: Special Temporary Authority (Cable Television Relay Stations), Section 78.33.

Form Number: Not applicable.

Type of Review: Extension of a currently approved collection.

Respondents: Business and other for-profit entities.

Number of Respondents: 35.

Estimated Time Per Response: 4 hours.

Frequency of Response: On occasion reporting requirements.

Total Annual Burden: 140 hours.

Total Annual Costs: \$4,585.

Needs and Uses: 47 CFR section 78.33 permits cable television relay station operators to file informal requests for special temporary authority (STA) to install and operate equipment in a manner different from the way authorized in the station license. STAs may also be requested by cable operators and equipment suppliers to conduct a field surveys to determine necessary data in connection with the preparation of a formal application for installation of a radio system, as well as to conduct equipment, program, service, and path tests. The data submitted will be used by Commission staff to ensure that granting such requests for STA will not cause interference to established stations and that the requests meet the Commission's technical standards.

Federal Communications Commission.

DATES: Written comments should be submitted on or before December 27, 1999. If you anticipate that you will be submitting comments, but find it difficult to do so within the period of time allowed by this notice, you should advise the contact listed below as soon as possible.

ADDRESSES: Direct all comments to Les Smith, Federal Communications Commission, Room 1-A804, 445 12th Street, SW, Washington, DC 20554, or via the Internet to lesmith@fcc.gov.

FOR FURTHER INFORMATION CONTACT: For additional information or copies of the information collections contact Les Smith at (202) 418-0217 or via the Internet at lesmith@fcc.gov.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 3060-0623.

Title: Application for Mobile Radio Service Authorization or Rural Radiotelephone Service Authorization.

Form Number: FCC 600.

Type of Review: Revision of a currently approved collection

Respondents: Business or other for-profit entities; Individuals or

households; Not-for-profit institutions; and State, Local, or Tribal Government.

Number of Respondents: 55,143.

Estimate Time Per Response: 2.3 hours (avg.).

Frequency of Response: On occasion reporting requirement; Third party disclosure.

Total Annual Burden: 126,846 hours.

Total Annual Costs: \$20,244,750.

Needs and Uses: FCC Form 600 may be used by various applicants in accordance with 47 CFR parts 22, 24, 74, 90, and 95. Statutory authority for this collection is contained in 47 U.S.C. 154(I) and 309(j), as amended. The adjustment to FCC Form 600 is a supplemental showing to demonstrate why more than ten trunked channels are required. This form will eventually be replaced by FCC Form 601 upon conversion of all radio service to the Universal Licensing System (ULS) which currently uses FCC Form 600. The Commission uses the information contained in this form to determine whether the applicant is legally, technically, and financially qualified to be licensed. Without such information the Commission could not determine whether to issue the licenses to the applicants that provided telecommunications services to the public, and therefore, fulfill its statutory responsibilities in accordance with the Communications Act of 1934, as amended. The information will also be used to update the database and provide for proper use of the frequency spectrum.

OMB Control Number: 3060-0690.
