10. Environmental Protection Agency, Office of Policy (N1-412-96-2, 2 items, 2 temporary items). Electronic copies of documents pertaining to information collection created using electronic mail and word processing. This schedule also proposes an increase in the retention period for recordkeeping copies of these files, which were previously approved for disposal.

11. Environmental Protection Agency, Agency-wide (N1-412-99-4, 2 items, 2 temporary items). Motor vehicle recall and in-use testing records, including listings of vehicle owners, forms, and correspondence. Also included are electronic copies of documents created using electronic mail and word processing.

12. National Aeronautics and Space Administration, Agency-wide (N1-255-99-2, 5 items, 5 temporary items). Inspections and proof reports, including paper records, photographs, electronic media, and electronic copies of documents created using electronic mail and word processing. The records include certifications of acceptance and results of tests done at NASA testing centers to verify that new components meet manufacturer specifications.

13. National Aeronautics and Space Administration, Agency-wide (N1-255-99-3, 5 items, 5 temporary items). Records relating to NASA's quality management program and to quality assurance testing of ground-based pressure systems, including electronic copies of documents created using electronic mail and word processing. Quality management program records include audits, evaluations, and corrective action documents. Records relating to the testing of ground-based pressure systems include correspondence, inspection reports, and all other documentation associated with these tests.

14. National Archives and Records Administration, Office of Presidential Libraries (N1-64-00-2, 4 items, 3 temporary items). Researcher case files containing researcher applications, access requests, correspondence, and reproduction orders. Also included are electronic copies of documents created using electronic mail and word processing. Case files for researchers who have produced significant and/or controversial research are proposed for permanent retention.

15. Panama Canal Commission, Agency-wide (N1-185-98-1, 15 items, 15 temporary items). Electronic versions of previously-scheduled paper records created by the agency's climatological,

hydrological, and meteorological data systems. The records consist of scientific and weather observational data, such as wind speed and direction, air temperature, relative humidity, dew point, barometric pressure, solar radiation, rainfall, and river, lake, and tide elevations.

16. Securities and Exchange Commission (N1-266-99-2, 19 items, 13 temporary items). Older files accumulated by various agency offices, 1933-1969. Included are such records as duplicate copies of orders, draft minutes, regional office investigative files relating to cases in which action was not taken by agency headquarters, subject files relating to administrative matters, court stenographers' tapes, registers listing documents submitted by companies applying for registration of securities, and questionnaires and other background materials for studies. Records proposed for permanent retention include studies and supporting documentation held by the Division of Records Management, 1934-1946, Central Files of the Commission for the period 1934-1964, records relating to Senate Banking and Currency Committee hearings held during the 1930s, and documents submitted by utility companies that date from ca. 1921-1962.

17. Tennessee Valley Authority, Agency-wide (N1-142-99-7, 9 items, 9 temporary items). Electronic database files, input/source documents, and hardcopy files and printouts created in the process of collecting, measuring, assessing, and reporting routine procurement data. Records pertain to such subjects as commodity purchases from specific companies, credit card transactions, contracts with small business, purchase orders and requests for quotes, and other related matters.

18. Tennessee Valley Authority, Agency-wide (N1-142-99-15, 2 items, 2 temporary items). NATIONAL CREDIT UNION ADMINISTRATION

Designation of Liaison Under the Y2K Act

AGENCY: National Credit Union Administration.

ACTION: Notice.

SUMMARY: The National Credit Union Administration (NCUA) Board has appointed Roger Blake, Senior Information Systems Officer, Office of Examination and Insurance, to act as the NCUA Board's liaison for purposes of section 18(b) of the Y2K Act, Public Law 106-37. Mr. Blake will act as the liaison between the Board and certain credit unions with respect to problems arising out of Y2K failures and compliance with federal rules or regulations. Any federal credit union, or federally-insured credit union, that employs less than 50 full-time employees may seek Y2K-related assistance from Mr. Blake.

FOR FURTHER INFORMATION CONTACT: Mr. Roger Blake, National Credit Union Administration (NCUA), Office of Examination and Insurance, 1775 Duke Street, Alexandria, Virginia 22314-3428. Mr. Blake's phone number is (703) 518-6385.

SUPPLEMENTARY INFORMATION: The liaison appointed pursuant to the Y2K Act will assist regulated "small business concerns" with respect to problems arising out of Y2K failures and compliance with federal rules or regulations. The Y2K Act defines a small business concern as an unincorporated business, partnership, corporation, association, or organization with fewer than 50 full-time employees. In addition, the Y2K Act defines "Y2K failure" as failure by any device or system (including any computer system and any microchip or integrated circuit embedded in another device or product), or any software, firmware, or other set or collection of processing instructions to process, calculate, compare, sequence, display, store, transmit, or receive Year-2000 data. This definition specifically includes failures to (1) deal with or account for transitions of comparisons from, into, and between the years 1999 and 2000 accurately; (2) recognize or process accurately any specific date in 1999, 2000, or 2001; or (3) account accurately for the year 2000's status as a leap year, including recognition and processing of the correct date on February 29, 2000.

As an alternative to contacting the NCUA's Y2K Act liaison in Alexandria, Virginia, affected credit unions may contact the following individuals in the regional offices with their questions:

Region I, Albany, New York: Anthony J. LaCreta, Acting Regional Director, at (518) 862-7400.

Region II, Alexandria, Virginia: Tawana Y. James, Regional Director, at (703) 519-4601.

Region III, Atlanta, Georgia: Alonzo A. Swann III, Regional Director, at (678) 443-3001.

Region IV, Chicago, Illinois: Nicholas Veghts, Regional Director, at (630) 955-4101.

Region V, Austin, Texas: J. Leonard Skiles, Regional Director, at (512) 342-5601.

Region VI, Concord, California: Jane Walters, Regional Director, at (925) 363-6200.

By the National Credit Union Administration Board on November 18, 1999.

Authority: Sec. 18(b), Pub. L. 106-37, 113 Stat. 185.

Becky Baker,

Secretary to the Board.
