DEPARTMENT OF THE INTERIOR National Park Service

General Management Plan, Draft Environmental Impact Statement, Fort Bowie National Historic Site, AZ

AGENCY: National Park Service, Department of the Interior.

ACTION: Availability of Draft Environmental Impact Statement and General Management Plan for Fort Bowie National Historic Site.

SUMMARY: Pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969, the National Park Service announces the availability of a Draft Environmental Impact Statement and General Management Plan (DEIS/GMP) for Fort Bowie National Historic Site, Arizona.

DATES: The DEIS/GMP will remain available for public review through January 30, 2000. If any public meetings are held concerning the DEIS/GMP, they will be announced at a later date.

COMMENTS: If you wish to comment, you may mail your comments to the Superintendent, Fort Bowie National Historic Site, Dos Cabezas Route, Box 6500, Willcox, Arizona 85643-9737. Our practice is to make comments, including names and home addresses of respondents, available for public review during regular business hours. Individual respondents may request that we withhold their home address from the record, which we will honor to the extent allowable by law. There also may be circumstances in which we would withhold from the record a respondent's identity, as allowable by law. If you wish us to withhold your name and/or address, you must state this prominently at the beginning of your comment. However, we will not consider anonymous comments. We will make all submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, available for public inspection in their entirety. Copies of the DEIS/GMP are available from the Superintendent at the following address. Public reading copies of the DEIS/GMP will be available for review at the following locations:

Office of the Superintendent, Fort Bowie National Historic Site, Dos Cabezas Route, Box 6500, Willcox, Arizona 85643-9737, Telephone: (520) 824-3560.
 Planning and Environmental Quality, Intermountain Support Office—Denver, National Park Service, P.O. Box 25287, Denver, CO 80225-0287, Telephone: (303) 969-2851 [or (303) 969-2377].
 Office of Public Affairs, National Park Service, Department of Interior, 18th and C Streets NW, Washington, D.C. 20240, Telephone: (202) 208-6843.

SUPPLEMENTARY INFORMATION: The DEIS/GMP analyzes two alternatives to identify and assess the various management alternatives and related environmental impacts relative to park operations, visitor use and access, natural and cultural management, and general development at the monument. The general management plan would guide the management of the Fort Bowie National Historic Site for the next 12 to 15 years. The National Park Service proposal continues the concept established—the principle of a very low level of development, intended to allow the visitor a “discovery” experience in a place of “historic abandonment.” The No-Action Alternative would maintain visitor services and resource protection at current limited levels throughout the life of the plan.

The DEIS/GMP in particular evaluates the environmental consequences of the proposed action and the other alternatives on visitor experience, cultural resources, long-term health of natural ecosystems, economic contribution to gateway communities, adjacent landowners, and operational efficiency.

FOR FURTHER INFORMATION: Contact Superintendent, Fort Bowie National Historic Site, at the above address and telephone number.

Dated: November 17, 1999.

Michael D. Snyder,

Director, Intermountain Region, National Park Service.
