**DEPARTMENT OF HEALTH AND HUMAN SERVICES****Office of Inspector General****42 CFR Part 1001**

RIN 0991-AA91

**Federal Health Care Program: Fraud and Abuse; Statutory Exception to the Anti-Kickback Statute for Shared Risk Arrangements; Correction**

**AGENCY:** Office of Inspector General (OIG), HHS.

**ACTION:** Interim final rule with comment period; correction amendment.

**SUMMARY:** This document contains corrections to the interim final regulations which were published in the *Federal Register* on Friday, November 19, 1999 (64 FR 63504). These regulations established two new safe harbors from the anti-kickback statute (section 1128B(b) of the Social Security Act) to provide protection for certain managed care arrangements. A number of inadvertent errors appeared in both the preamble and in the text of the regulations that warrant clarification or revision. As a result, we are setting forth these revisions in order to assure the technical correctness of that document and the regulations.

**EFFECTIVE DATE:** December 21, 1999.

**FOR FURTHER INFORMATION CONTACT:** Joel Schaer, (202) 619-0089, OIG Regulations Officer.

**SUPPLEMENTARY INFORMATION:** The HHS Office of Inspector General (OIG) issued interim final regulations on November 19, 1999 (64 FR 63504) that set forth two new safe harbors from the anti-kickback statute to provide protection for certain managed care arrangements. In that interim final rule, a number of inadvertent errors appeared in the preamble and in 42 CFR part 1001 which are now being corrected.

In the preamble on page 63505, second column, an extra bullet point was inserted before the words "Underwriters/National Association of Life Underwriters." As corrected, the eleventh bullet point appearing in column two should read as "Independent Insurance Agents of America/National Association of Health

Underwriters/National Association of Life Underwriters."

On page 63507 of the preamble, in the third column, second paragraph, the reference to "paragraph (1)(i)(A)(IV)" should be corrected to read as "paragraph (1)(i)(A)(4)." Similarly, in the third paragraph on this page, the reference to "§ 1001.952(t)(1)(i)(A)(IV)" should be corrected to read as "§ 1001.952(t)(i)(A)(4)."

In the first column on page 63508, in the second full paragraph, line 15, the words "or cost" should be inserted after the words "programs on a fee-for-service."

On page 63511, in the first column, the first line of the first full paragraph, the regulatory reference "§ 1001.965(u)(2)(i)(B)" should be corrected to read as "§ 1001.952(u)(1)(i)(B)." In addition, in the third full paragraph in column one on the same page, on the fourth and fifth lines, the parenthetical phrase "(paragraphs (u)(1)(i)(C)(I)-(III))" is revised to read as "(paragraphs (u)(1)(i)(C)(1)-(3))." Lastly, in the last paragraph in column one, the parenthetical reference "(paragraph (u)(1)(i)(C)(IV))" should be corrected to read as "(paragraph (u)(1)(i)(C)(4))."

In addition, we are correcting the regulatory text that was set forth in § 1001.952(t). In the regulations text on page 63513, § 1001.952(t)(1)(i)(B) is amended by adding the words "or cost" after the words "fee-for-service." In addition, in § 1001.952(t)(1)(ii)(B), we are (1) adding the words "for or" after the phrase "receives remuneration in return" and (2) are adding the words "or cost" after the words "fee-for-service." These words were inadvertent omitted in the November 19, 1999 interim final rule.

BILLING CODE 4152-01-P

**FEDERAL EMERGENCY MANAGEMENT AGENCY****44 CFR Part 64****[Docket No. FEMA-7725]****Suspension of Community Eligibility**

**AGENCY:** Federal Emergency Management Agency, FEMA.

**ACTION:** Final rule.

**SUMMARY:** This rule identifies communities, where the sale of flood insurance has been authorized under the National Flood Insurance Program (NFIP), that are suspended on the effective dates listed within this rule because of noncompliance with the floodplain management requirements of the program. If the Federal Emergency Management Agency (FEMA) receives documentation that the community has adopted the required floodplain

management measures prior to the effective suspension date given in this rule, the suspension will be withdrawn by publication in the **Federal Register**.

**EFFECTIVE DATES:** The effective date of each community's suspension is the third date ("Susp.") listed in the third column of the following tables.

**ADDRESSES:** If you wish to determine whether a particular community was suspended on the suspension date, contact the appropriate FEMA Regional Office or the NFIP servicing contractor.

**FOR FURTHER INFORMATION CONTACT:** Robert F. Shea, Jr., Division Director, Program Support Division, Mitigation Directorate, 500 C Street, SW., Room 417, Washington, DC 20472, (202) 646-3619.

**SUPPLEMENTARY INFORMATION:** The NFIP enables property owners to purchase flood insurance which is generally not otherwise available. In return, communities agree to adopt and administer local floodplain management aimed at protecting lives and new construction from future flooding. Section 1315 of the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits flood insurance coverage as authorized under the National Flood Insurance Program, 42 U.S.C. 4001 *et seq.*, unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed in this document no longer meet that statutory requirement for compliance with program regulations, 44 CFR part 59 *et seq.* Accordingly, the communities will be suspended on the effective date in the third column. As of that date, flood insurance will no longer be available in the community. However, some of these communities may adopt and submit the required documentation of legally enforceable floodplain management measures after this rule is published but prior to the actual suspension date. These communities will not be suspended and will continue their eligibility for the sale of insurance. A notice withdrawing the suspension of the communities will be published in the **Federal Register**.

In addition, the Federal Emergency Management Agency has identified the special flood hazard areas in these communities by publishing a Flood Insurance Rate Map (FIRM). The date of the FIRM if one has been published, is indicated in the fourth column of the table. No direct Federal financial assistance (except assistance pursuant to the Robert T. Stafford Disaster Relief and Emergency Assistance Act not in connection with a flood) may legally be provided for construction or acquisition of buildings in the identified special flood hazard area of communities not participating in the NFIP and identified for more than a year, on the Federal Emergency Management Agency's initial flood insurance map of the community as having flood-prone areas (section 202(a) of the Flood Disaster Protection Act of 1973, 42 U.S.C. 4106(a), as amended). This prohibition against certain types of Federal assistance becomes effective for the communities listed on the date shown in the last column. The Associate Director finds that notice and public comment under 5 U.S.C. 553(b) are impracticable and unnecessary because communities listed in this final rule have been adequately notified.

Each community receives a 6-month, 90-day, and 30-day notification addressed to the Chief Executive Officer that the community will be suspended unless the required floodplain management measures are met prior to the effective suspension date. Since these notifications have been made, this final rule may take effect within less than 30 days.

**National Environmental Policy Act**

This rule is categorically excluded from the requirements of 44 CFR part 10, Environmental Considerations. No environmental impact assessment has been prepared.

**Regulatory Flexibility Act**

The Associate Director has determined that this rule is exempt from the requirements of the Regulatory Flexibility Act because the National Flood Insurance Act of 1968, as amended, 42 U.S.C. 4022, prohibits

flood insurance coverage unless an appropriate public body adopts adequate floodplain management measures with effective enforcement measures. The communities listed no longer comply with the statutory requirements, and after the effective date, flood insurance will no longer be available in the communities unless they take remedial action.

**Regulatory Classification**

This final rule is not a significant regulatory action under the criteria of section 3(f) of Executive Order 12866 of September 30, 1993, Regulatory Planning and Review, 58 FR 51735.

**Paperwork Reduction Act**

This rule does not involve any collection of information for purposes of the Paperwork Reduction Act, 44 U.S.C. 3501 *et seq.*

**Executive Order 12612, Federalism**

This rule involves no policies that have federalism implications under Executive Order 12612, Federalism, October 26, 1987, 3 CFR, 1987 Comp., p. 252.

**Executive Order 12778, Civil Justice Reform**

This rule meets the applicable standards of section 2(b)(2) of Executive Order 12778, October 25, 1991, 56 FR 55195, 3 CFR, 1991 Comp., p. 309.

**PART 64—[AMENDED]**

1. The authority citation for Part 64 continues to read as follows:

**National Oceanic and Atmospheric Administration**

[Docket No. 981014259-8312-02; I.D. 121499B]

**Fisheries of the Northeastern United States; Summer Flounder Fishery; Commercial Quota Harvested for New Jersey.**

**AGENCY:** National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Commercial quota harvest.

**SUMMARY:** NMFS announces that the summer flounder commercial quota available to the State of New Jersey has been harvested. Vessels issued a commercial Federal fisheries permit for the summer flounder fishery may not land summer flounder in New Jersey for the remainder of calendar year 1999, unless additional quota becomes available through a transfer. Regulations governing the summer flounder fishery require publication of this notification to advise the State of New Jersey that the quota has been harvested, and to advise vessel permit holders and dealer permit holders that no commercial quota is available for landing summer flounder in New Jersey.
