E. Repair and Rehabilitation Loans

Tenant health and safety continues to be a top priority. Repair and rehabilitation funds must be first targeted to RRH facilities that have physical conditions that effect the health and safety of tenants and then made available to facilities that have deferred maintenance. All funds will be held in the National office and will be distributed based upon indicated rehabilitation needs in the MFH survey conducted in September 1999.

F. Designated Reserve for Equity Loans

An amount of \$5 million has been designated for the equity loan preservation incentive described in RD Instruction 1965–E. The \$5 million will be further divided into \$4 million for equity loan requests currently on the pending funding list and \$1 million to

facilitate the transfer of properties from for-profit owners to nonprofit corporations and public bodies. Funds for such transfers would be authorized only for for-profit owners who are currently on the pending funding list who agree to transfer to nonprofit corporations or public bodies rather than to remain on the pending list. If insufficient transfer requests are generated to utilize the full \$1 million set aside for nonprofit and public body transfers, the balance will revert to the existing pending equity loan funding list.

AGENCY: Rural Housing Service, USDA.

ACTION: Notice.

SUMMARY: This Notice of Fund Availability (NOFA or Notice) announces the timeframe to submit proposals in the form of "NOFA responses" for the section 538

Guaranteed Rural Rental Housing Program (GRRHP). Eligible lenders are invited to submit NOFA proposals for the development of affordable rental housing to serve rural America. Lenders may submit their application concurrently with their NOFA response. This document also describes the overall application process, including the selection of NOFA responses and the allocation of interest credits.

DATES: Fiscal Year (FY) 2000 program dollars will be divided into two selection pools: an "early selection pool" of \$40 million which will close at 4:00 PM Eastern Time on February 21, 2000 and the "standard selection pool" of \$60 million which will close at 4:00 PM Eastern Time, on May 8, 2000. See paragraph III., "Application Process" of

this NOFA for more information on this topic.

The final deadline for a FY 2000 NOFA response will be 4:00 PM Eastern Time on May 8, 2000. No NOFA responses will be accepted after 4:00 PM Eastern Time on May 8, 2000, unless that date and time is extended by Notice published in the **Federal Register**. Lenders intending to mail a NOFA response must provide sufficient time to permit delivery on or before the closing deadline date and time. Acceptance by a post office or private mailer does not constitute delivery. Facsimile (FAX) and postage due NOFA responses or applications will not be accepted.

ADDRESSES: Responses for participation in the program must be identified as "Section 538 Guaranteed Rural Rental Housing Program" on the envelope and
