### State and Tribal Environmental Justice Grants Program—FY 2000

The State and Tribal Environmental Justice (STEJ) Grants Program was intended, from its inception, to be a pilot program for states and tribes to develop model environmental justice programs for the benefit of other states and tribes. As published in the **Federal Register**, November 1, 1999, Volume 64, Number 210, the Agency had initially planned to award STEJ grants in FY 2000. However, the STEJ grants program will not be funded in fiscal year 2000, but instead will be evaluated to determine whether the objectives of the program are being met.

Over the past two years, the Agency awarded ten STEJ grants. These grants will be the focus of the evaluation. If you have any questions about the STEJ Grants Program and/or the Agency's plan to conduct an evaluation of the program, please contact Daniel Gogal, STEJ Grants Program Manager, Office of Environmental Justice, at (202) 564-2576, or 1-800-962-6215.

Dated: December 16, 1999.
