## DEPARTMENT OF JUSTICE

### Federal Bureau of Investigation

#### **CALEA Implementation Section; Agency Information Collection Activities: Proposed Collection; Comment Request**

**ACTION:** Notice of information collection under review; new collection, flexible deployment assistance guide.

The Department of Justice, Federal Bureau of Investigation, Communications Assistance for Law Enforcement Act (CALEA) Implementation Section, has submitted the following information collection request to the Office of Management and Budget (OMB) for review and clearance in accordance with the emergency review procedures of the Paperwork Reduction Act of 1995. OMB approval has been requested by January 7, 2000. The proposed information collection is published to obtain comments from the public and affected agencies. If granted, the emergency approval is only valid for 180 days. Comments should be directed to OMB, Office of Information Regulation Affairs, Attention: Department of Justice Desk Officer (202) 395-3122, Washington, DC 20530.

During the first 60 days of this same review period, a regular review of this information collection is also being undertaken. All comments and suggestions, or questions regarding additional information, to include obtaining a copy of the proposed information collection instrument with instructions, should be directed to Catherine Kudrick, (703) 814-4835, Federal Bureau of Investigation, CALEA Implementation Section, 14800 Conference Center Drive, Suite 300, Chantilly, Virginia 20151.

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the

function of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

#### **Overview of This Information**

(1) *Type of Information Collection:* New Collection.

(2) *Title of the Form/Collection:* Flexible Deployment Assistance Guide.

(3) *Agency form number, if any, and the applicable component of the Department sponsoring the collection:* None. Federal Bureau of Investigation, United States Department of Justice.

(4) *Affected public who will be asked or required to respond, as well as a brief abstract:* Primary: Business or other for-profit. Other: None. The Flexible Deployment Assistance Guide has been developed to assist the telecommunications industry in meeting its obligations under the Communications Assistance for Law Enforcement Act, 47 U.S.C. 1001-1010 (1994).

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond/reply:* The average time burden of the approximately 5,000 respondents to provide the information requested is approximately four hours and fifteen minutes.

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total annual hour burden to provide the information requested by the Flexible Deployment Assistance Guide is approximately 21,250 annual burden hours.

If the additional information is required contact: Ms. Brenda E. Dyer, Deputy Clearance Officer, United States Department of Justice, Information Management and Security Staff, Justice Management Division, Suite 1220, National Place, 1331 Pennsylvania Avenue, NW, Washington, D.C. 20530.

Dated: December 21, 1999.

## DEPARTMENT OF LABOR

### **Employment and Training Administration**

#### **Notice of Determinations Regarding Eligibility To Apply for Worker Adjustment Assistance and NAFTA Transitional Adjustment Assistance**

In order with Section 223 of the Trade Act of 1974, as amended, the Department of Labor herein presents summaries of determinations regarding eligibility to apply for trade adjustment assistance for workers (TA-W) issued during the period of December, 1999.

In order for an affirmative determination to be made and a certification of eligibility to apply for worker adjustment assistance to be issued, each of the group eligibility requirements of Section 222 of the Act must be met.

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, have become totally or partially separated,

(2) That sales or production, or both, of the firm or subdivision have decreased absolutely, and

(3) That increases of imports of articles like or directly competitive with articles produced by the firm or appropriate subdivision have contributed importantly to the separations, or threat thereof, and to the absolute decline in sales or production.

#### **Negative Determinations for Worker Adjustment Assistance**

In each of the following cases the investigation revealed that criterion (3) has not been met. A survey of customers indicated that increased imports did not contribute importantly to worker separations at the firm.

Also, pursuant to Title V of the North American Free Trade Agreement Implementation Act (P.L. 103-182) concerning transitional adjustment assistance hereinafter called (NAFTA-TAA) and in accordance with Section 250(a), Subchapter D, Chapter 2, Title II, of the Trade Act as amended, the Department of Labor presents summaries of determinations regarding eligibility to apply for NAFTA-TAA issued during the month of December, 1999.

In order for an affirmative determination to be made and a certification of eligibility to apply for NAFTA-TAA the following group eligibility requirements of Section 250 of the Trade Act must be met:

(1) That a significant number or proportion of the workers in the workers' firm, or an appropriate subdivision thereof, (including workers in any agricultural firm or appropriate subdivision thereof) have become totally or partially separated from employment and either—

(2) That sales or production, or both, of such firm or subdivision have decreased absolutely,

(3) That imports from Mexico or Canada of articles like or directly competitive with articles produced by such firm or subdivision have increased, and that the increases imports contributed importantly to such workers' separations or threat of separation and to the decline in sales or production of such firm or subdivision; or

(4) That there has been a shift in production by such workers' firm or subdivision to Mexico or Canada of articles like or directly competitive with articles which are produced by the firm or subdivision.

#### Negative Determinations NAFTA—TAA

In each of the following cases the investigation revealed that criteria (3) and (4) were not met. Imports from

Canada or Mexico did not contribute importantly to workers' separations. There was no shift in production from the subject firm to Canada or Mexico during the relevant period.
