Correction

The Department of Commerce (the Department) inadvertently misstated certain language in the "Scope of the Investigation" sections of the January 4, 1999 *Preliminary Determination of Sales at Less Than Fair Value ("LTFV"): Stainless Steel Sheet and Strip in Coils from France* (64 FR 130), *Germany* (64 FR 92), *Italy* (64 FR 116), *Japan* (64 FR 108), *Mexico* (64 FR 124), *South Korea* (64 FR 137), *Taiwan* (64 FR 101), and *the United Kingdom* (64 FR 85);¹ as well as the *Amended Preliminary Determination of Sales at Not LTFV: Stainless Steel Sheet and Strip in Coils From Taiwan* (A-583-831);² and the *Amended Preliminary Determination of Sales at LTFV: Stainless Steel Sheet and Strip in Coils From Korea*.³ The effect of this error is that suspension of liquidation could be ordered for a certain product which is not, in fact, included in the scope of these investigations. In explaining this

¹ The scope language in each notice was identical.

² 64 FR 4070 (January 27, 1999). The scope language in this Amended Preliminary Determination was consistent with the scope language from the original determinations.

³ 64 FR 3928 (January 26, 1999). The scope language in this Amended Preliminary Determination was consistent with the scope language from the original determinations.

product's exclusion from the scope of the investigations each of these notices stated:

Certain stainless steel foil for automotive catalytic converters is also excluded from the scope of this investigation. . . . This steel contains, by weight, . . . lanthanum of between 0.002 and 0.05 percent. (Emphasis added). Pursuant to the Department's regulation at 19 CFR 351.224(e), we correct this statement in the notices referenced above to read as follows:

Certain stainless steel foil for automotive catalytic converters is also excluded from the scope of this investigation. . . . This steel contains, by weight, . . . lanthanum of less than 0.002 or greater than 0.05 percent.

In addition to the error listed above, in the *Amended Preliminary Determination of Sales at Not Less Than Fair Value: Stainless Steel Sheet and Strip in Coils from Taiwan*, 64 FR 4070, the Department inadvertently referred to the case number as "A-583-830." The proper case number is "A-583-831."

This correction is issued in accordance with section 351.224 of the Department's regulations (19 CFR 351.224, April 1, 1998).

Dated: February 8, 1999.

Richard W. Moreland,

Acting Assistant Secretary for Import Administration.
