AGENCY: Economics and Statistics Administration, Department of Commerce.

ACTION: Notice of Public Meeting.

SUMMARY: Pursuant to the Federal Advisory Committee Act (Pub. L. 92-463, as amended by Pub. L. 94-409, Pub. L. 96-523, and Pub. L. 97-375), we are giving notice of a joint meeting of the Census Advisory Committees (CACs) on the African American Population, on the American Indian and Alaska Native Populations, on the Asian and Pacific Islander Populations, on the Hispanic Population, the CAC of Professional Associations, and the Commerce Secretary's 2000 Census Advisory Committee. The agenda will provide an opportunity for discussing the Census 2000 Partnership Program (for example, how it works and how it is coordinated with other Census 2000 programs) and for discussing model cases of partnerships with governmental and non-governmental organizations. Last-minute changes to the schedule are possible, and they could prevent us from giving advance notice.

DATES: On Monday, March 15, 1999, the meeting will begin at 8:00 a.m. and adjourn at approximately 5:15 p.m.

ADDRESSES: The meeting will take place at the Inn and Conference Center, University of Maryland University College, University Boulevard at Adelphi Road, College Park, MD.

FOR FURTHER INFORMATION CONTACT: Maxine Anderson-Brown, Committee Liaison Officer, Department of Commerce, Bureau of the Census, Room 1647, Federal Building 3, Washington, DC 20233, telephone: 301-457-2308.

SUPPLEMENTARY INFORMATION: The CACs on the African American, American Indian and Alaska Native, and Hispanic Populations are composed of 9 members

each, and the CAC on the Asian and Pacific Islander Population is composed of 13 members, appointed by the Secretary of Commerce. The Committees provide an organized and continuing channel of communication between their representative communities and the Bureau of the Census. They assist the Bureau in its efforts to reduce the count differential for Census 2000 and advise on ways that census data can best be disseminated to communities and other users.

The CAC of Professional Associations is composed of 36 members appointed by the Presidents of the American Economic Association, the American Statistical Association, the Population Association of America, and the Chairman of the Board of the American Marketing Association. The Committee advises the Director, Bureau of the Census, on the full range of Census Bureau programs and activities in relation to the areas of expertise.

The Commerce Secretary's 2000 Census Advisory Committee is composed of a Chair, Vice-Chair, and up to 35 member organizations, all appointed by the Secretary of Commerce. The Advisory Committee considers the goals of Census 2000 and user needs for information provided by that census. The Committee provides an outside user perspective about how operational planning and implementation methods proposed for Census 2000 will realize those goals and satisfy those needs. The Advisory Committee considers all aspects of the conduct of the 2000 Census of Population and Housing and makes recommendations to the Secretary of Commerce for improving that census.

A brief period will be set aside at the meeting for public comment. However, individuals with extensive statements for the record must submit them in writing to the Commerce Department official named above at least three working days prior to the meeting.

The meeting is physically accessible to people with disabilities. Requests for sign language interpretation or other auxiliary aids should be directed to the Census Bureau Committee Liaison Officer on 301-457-2308, TDD 301-457-2540.

Foreign-Trade Zones Board

[Docket 8-99]

Foreign-Trade Zone 26—Atlanta, GA: Request for Manufacturing Authority; Matsushita Communication Industrial Corporation of U.S.A. (Automotive Audio/Electronics and Telecommunications Products)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Georgia Foreign-Trade Zone, Inc., grantee of FTZ 26, pursuant to § 400.28(a)(2) of the Board's regulations (15 CFR Part 400), requesting authority on behalf of Matsushita Communication Industrial Corporation of U.S.A. (MCIC) (a subsidiary of Matsushita Electric Industrial Co., Ltd., Japan) to manufacture automotive audio, electronic and telecommunications products under FTZ procedures within FTZ 26. It was formally filed on February 16, 1999.

The MCIC facility (263,000 sq.ft.) is located at 776 Highway 74 South within a proposed site of FTZ 26 in the Peachtree City Industrial Park, in Peachtree City, Georgia (application pending; Doc. 22-98, 63 FR 23720, 4-30-98), some 25 miles south of Atlanta. The MCIC facility (875 employees) is used to produce: (1) automotive audio products, including electronic tuning AM, AM/FM radios, AM/FM radio/cassette/compact disk units, compact disk players and changers, cassette deck units, power amplifiers, (2) automotive electronic components, including knock sensors and navigation system monitors; and (3) telecommunications products, including digital phone systems (including voice mail, caller ID, intercom), telephone line amplifiers, pagers, cellular/cordless and mobile phones, personal communication systems, wireless local loop systems, subscriber units, and base/scanner stations for the U.S. market and export. Components sourced from abroad (representing up to 75% of total unit material value) include: self-adhesive plastic plates/foil/film, labels, copper and steel fasteners, steel springs, cable, batteries, buzzers, electronic parts (transformers, inductors, regulators, capacitors, resistors, diodes, transistors, LED's, insulators, conductors), liquid crystal displays, microphones, integrated circuits, PC boards and assemblies, electrical switches, varistors (metal oxide), loop cords, relays, jigs, potentiometers, chargers, connector plugs, heat sinks/glue, thermistors, surge suppressors, speakers, arresters,

rectifiers, antenna and terminals, other telecom and audio parts (duty rate range: free=6.2%).

FTZ procedures would exempt MCIC from Customs duty payments on the foreign components used in export production (about 5% of shipments). On its domestic sales, MCIC would be able to choose the duty rates during Customs entry procedures that apply to automotive audio/electronic and telecommunications products (free=5.1%) for the foreign inputs noted above. The motor vehicle duty rate (2.5%) could apply to the finished automotive audio products that are shipped to U.S. motor vehicle assembly plants with subzone status for inclusion into finished motor vehicles under FTZ procedures. The request indicates that the savings from FTZ procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ Staff has been designated examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 26, 1999. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to May 10, 1999).

A copy of the application and the accompanying exhibits will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade Zones Board, U.S. Department of Commerce, Room 3716, 14th Street & Pennsylvania Avenue, NW, Washington, DC 20230-0002.

Dated: February 16, 1999.

Acting Executive Secretary.
