### Commodity Credit Corporation

#### 7 CFR Part 1464

RIN 0560-AG13

#### 1999 Crop and Market Loss Assistance

**AGENCIES:** Commodity Credit Corporation; USDA.

**ACTION:** Final rule; correction.

**SUMMARY:** The Commodity Credit Corporation published in the **Federal Register** of February 16, 2000, a final rule promulgating regulations for Crop and Market Loss programs. Inadvertently, a reference to eligibility for tobacco loss assistance for tobacco growers on a farm used to produce tobacco during the 1998 crop year was omitted. This document corrects that omission.

**EFFECTIVE DATE:** February 11, 2000.

**FOR FURTHER INFORMATION CONTACT:** Tom Witzig, Chief, Regulatory Review and Foreign Investment Disclosure Branch, FSA, USDA, STOP 0540, 1400 Independence Avenue, SW, Washington, D.C. 20250-0540, Telephone: (202) 205-5851.

**SUPPLEMENTARY INFORMATION:** The Commodity Credit Corporation published in the **Federal Register** of February 16, 2000, (65 FR 7960) a final rule promulgating regulations for Crop and Market Loss programs. The provisions of that rule related to Tobacco Loss Assistance at 7 CFR 1464 stated, in addition to other eligibility requirements, that for a person to be considered an eligible tobacco grower such person must own, operate, or produce tobacco on a farm that was used for the production of tobacco during the 1999 crop year. Eligibility for farms that produced tobacco in the 1998 crop year was inadvertently omitted. This correction provides that farms used

for the production of tobacco during the 1998 crop year will be included in the eligibility requirements.

In rule FR Doc. 00-3406, published on February 16, 2000, (65 FR 7942) make the following correction. On page 7960, in the second column, in § 1464.203(b)(2), add the phrase "1998 or" before the phrase "1999 crop year".

Signed at Washington, DC, on February 25, 2000.

Keith Kelly,

*Executive Vice President, Commodity Credit Corporation.*

## NATIONAL CREDIT UNION ADMINISTRATION

### 12 CFR Parts 724 and 745

#### Trustees and Custodians of Pension Plans; Share Insurance and Appendix

**AGENCY:** National Credit Union Administration.

**ACTION:** Final rule.

**SUMMARY:** The National Credit Union Administration (NCUA) is revising its rules regarding a federal credit union's authority to act as trustee or custodian of pension plans. The revised rule permits federal credit unions in a territory, including the trust territories, or a possession of the United States, or the Commonwealth of Puerto Rico, to offer trustee or custodian services for Individual Retirement Accounts (IRAs), where otherwise permitted.

**EFFECTIVE DATE:** This rule is effective March 31, 2000.

#### FOR FURTHER INFORMATION CONTACT:

Dianne M. Salva, Staff Attorney, Division of Operations, Office of General Counsel, at the above address or telephone: (703) 518-6540.

**SUPPLEMENTARY INFORMATION:** NCUA published a proposal to revise its rules to permit federal credit unions in a territory, including the trust territories, or a possession of the United States, or the Commonwealth of Puerto Rico, to offer trustee or custodian services for Individual Retirement Accounts (IRAs), where otherwise permitted. 64 FR 55871, Oct. 15, 1999. NCUA received just one comment letter, which was strongly supportive of the proposal. The final regulation is unchanged from the proposal.

NCUA's legal analysis and a discussion of the rule's basis and purpose were set out in the proposed regulation. *Id.* Briefly summarized, the current regulation relies, in part, on the Internal Revenue Code (IRC), which applies only in the United States and the District of Columbia, effectively excluding FCUs in U.S. territories and possessions. In several territories and

possessions, the income tax laws mirror the IRC or have provisions similar to the IRC that recognize FCUs as permissible trustees for IRAs. The final amendment allows FCUs in those U.S. territories and possessions to act as trustee or custodian for IRAs, where otherwise permitted. To ensure that IRAs in the territories and possessions are treated the same as IRAs in the United States, the final amendment modifies Part 745 to clarify that the accounts will be separately insured.

## Regulatory Procedures

### *Paperwork Reduction Act*

This regulation will impose no additional information collection, reporting or record keeping requirements.

### *Regulatory Flexibility Act*

Pursuant to section 605(b) of the Regulatory Flexibility Act (RFA) (5 U.S.C. 605(b)), NCUA certifies that these amendments will not have a significant economic impact on a substantial number of small entities. NCUA expects that these regulations will not: (1) Have significant secondary or incidental effects on a substantial number of small entities; or (2) create any additional burden on small entities. These conclusions are based on the fact that the regulations merely extend the authority to offer a service to members. Accordingly, a regulatory flexibility analysis is not required.

### *Executive Order 13132*

Executive Order 13132 encourages independent regulatory agencies to consider the impact of their regulatory actions on state and local interests. In adherence to fundamental federalism principles, NCUA, an independent regulatory agency as defined in 44 U.S.C. 3502(5), voluntarily complies with the Executive Order. Since this regulation will only apply to federal credit unions, it will not have a substantial direct effect on the states, on the relationship between the national government and the states, or on the distribution of power and responsibilities among the various levels of government.

### *Small Business Regulatory Enforcement Fairness Act*

The Office of Management and Budget has determined that this rule is not major for purposes of the Small Business Regulatory Enforcement Fairness Act of 1996.

### **Airworthiness Directives; Alexander Schleicher Segelflugzeugbau Models ASH 25M and ASH 26E Sailplanes**

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Final rule; request for comments.

**SUMMARY:** This amendment adopts a new airworthiness directive (AD) that applies to all Alexander Schleicher Segelflugzeugbau (Alexander Schleicher) Models ASH 25M and ASH 26E sailplanes. This AD requires that you accomplish the following:

- Check to see if the sailplane has a muffler marked with an X on the front plate;
- Accomplish pre-flight checks on the carbon reinforced plastic fairing for signs of overheat traces and/or perform boroscope inspections, depending on the number of sailplane hours accumulated; and
- Replace the muffler with an improved design muffler either at a certain time period or immediately if discrepancies are found during any inspection.

This AD is the result of mandatory continuing airworthiness information (MCAI) issued by the airworthiness authority for Germany. The actions specified by this AD are intended to prevent excessive radiation from causing the carbon fiber shroud on the engine muffler to delaminate. The carbon fiber shroud serves the same
