### Employment Standards Administration

#### Proposed collection; comment request

**AGENCY:** Employment Standards Administration, Department of Labor.

**ACTION:** Notice.

**SUMMARY:** The Department of Labor, as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) [44 U.S.C. 3506(c)(2)(A)]. This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirements on respondents can be properly assessed. Currently, the Employment Standards Administration is soliciting comments concerning the proposed extension collection of the reporting and recordkeeping requirements of Regulations 29 CFR, Part 520; the Application for Authorization to Employ a Student-Learner at Subminimum Wages, Form WH-205, and the Application for a Certificate to Employ Messengers/Learners at Subminimum Wages, Form WH-209. #### SUPPLEMENTARY INFORMATION:

##### I. Background

Regulations 29 CFR Part 520 require the Secretary of Labor, to the extent necessary to prevent curtailment of employment opportunities, to provide "by regulations or by orders" for employment under special certificates of categories of workers who may be paid less than the statutory minimum wage. This section also authorizes the Secretary to set limitations on such employment as to time, number,

proportion and length of service. These workers include apprentices, messengers and learners, including student-learners, and student-workers. Form WH-209 is an application for a certificate authorizing an employer to employ learners and/or messengers at subminimum wage rates for a period up to one year. Form WH-205 is used by the employer to obtain certificates to employ student-learners at wages lower than the Federal minimum wage to prevent curtailment of opportunities for employment.
