SUPPLEMENTARY INFORMATION: Pursuant to Section 10(a)(2) of the Federal Advisory Committee Act, as amended (5 U.S.C. appropriate measures to address those impediments. This report will include: (1) Recommendations based on assessments of the form and content of the National Medical Support Notice, as issued under proposed regulation; (2) appropriate measures that establish the priority of withholding of child support obligations, medical support obligations, arrearages in such obligations, and in the case of a medical support obligation, the employee's portion of any health care coverage premium, by such State agencies in light of the restrictions on garnishment provided under title III of the Consumer Credit Protection Act (15 U.S.C. 1671-1677); (3) appropriate procedures for coordinating the provision, enforcement, and transition of health care coverage under the State programs for child support, Medicaid and the Child Health Insurance Program; (4) appropriate measures to improve the availability of alternate types of medical support that are aside from health care coverage offered through the noncustodial parent's health plan, and unrelated to the noncustodial parent's employer, including measures that establish a noncustodial parent's responsibility to share the cost of premiums, co-payment, deductibles, or payments for services not covered under a child's existing health coverage; (5) recommendations on whether reasonable cost should remain a consideration under section 452(f) of the Social Security Act; and (6) appropriate measures for eliminating any other impediments to the effective enforcement of medical support orders that the MCSWG deems necessary. The membership of the MCSWG was jointly appointed by the Secretaries of DOL and DHHS, and includes representatives of (1) DOL; (2) DHHS; (3) State Child Support Enforcement Directors; (4) State Medicaid Directors; (5) employers, including owners of small businesses and their trade and industry representatives and certified human resource and payroll professionals; (6) plan administrators and plan sponsors of group health plans (as defined in section 607(1) of the Employee Retirement Income Security Act of 1974 (29 U.S.C. 1167(1))); children potentially eligible for medical support such as child advocacy organizations; (8) State Medical child support organizations; and (9) organizations representing State child support programs.

Agenda

The agenda for this meeting includes review and approval of the MCSWG's report to the Secretaries continuing recommendations for appropriate

measures to address the impediments to the effective enforcement of medical child support as listed above. At the May, 1999, meeting, the MCSWG formed four (4) sub-committees to discuss barriers, issues, options, and recommendations in the interim between full MCSWG meetings. At the next three meetings (August, 1999, October, 1999, and November, 1999), the sub-committees presented their draft recommendations to the full MCSWG for further discussion and consideration. At the January, 2000, meeting, the MCSWG discussed the recommendations to be contained in the report to the Secretaries. At this meeting, the MCSWG will review and approve the actual report.

Public Participation

Members of the public wishing to present oral statements to the MCSWG should forward their requests to Samara Weinstein, MCSWG Executive Director, as soon as possible and at least four days before the meeting. Such request should be made by telephone, fax machine, or mail, as shown above. Members of the public also may submit written statements for distribution to the MCSWG membership and inclusion in the public record without presenting oral statements. Such written statements should be sent to the MCSWG Executive Director, as shown above, by mail or fax at least five business days before the meeting.
