

DTC since the proposed rule change will facilitate completion of daily money settlement at DTC in the unlikely event that DTC's liquidity resources are not sufficient to complete settlement.

B. Self Regulatory Organization's Statement on Burden on Competition

DTC perceives no impact on competition by reason of the proposed rule change.

C. Self Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants and Others

Comments from DTC participants or others have not been solicited or received on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Section 17A(b)(3)(F) of the Act³ requires that the rules of a clearing agency be designed to assure the safeguarding of securities and funds which are in the custody or control of the clearing agency or for which it is responsible. The Commission believes that the proposed rule change is consistent with DTC's obligations under Section 17A(b)(3)(c) because the proposal should facilitate the completion of the daily settlement process at DTC in the event of multiple participant failures on the same day which cause DTC's liquidity resources to be inadequate to complete settlement.

DTC has requested that the Commission find good cause for approving the proposed rule change prior to the thirtieth day after the date of publication of notice of filing. The Commission finds good cause for approving the proposed rule change prior to the thirtieth day after publication of the notice of the filing because such approval will allow DTC to implement this additional safeguard as soon as possible.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of such filing also will be available for inspection and copying at the principal office of DTC. All submissions should refer to File No. SR-DTC-99-25 and should be submitted by January 31, 2000. *It is therefore ordered*, pursuant to Section 19(b)(2) of the Act, that the proposed rule change (File No. SR-DTC-99-25) be, and hereby is, approved on an accelerated basis.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-42309; File No. SR-OCC-99-11]

Self-Regulatory Organizations; the Options Clearing Corporation; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to the Authority To Vote on Behalf of OCC

January 3, 2000.

Pursuant to Section 19(b)(1)¹ of the Securities Exchange Act of 1934 ("Act") notice is hereby given that on October 26, 1999, The Options Clearing Corporation ("OCC") filed with the Securities and Exchange Commission the proposed rule change as described in Items I, II, and III below, which items have been prepared primarily by OCC. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The proposed rule change grants the chairman of the OCC's board of directors the express authority to vote on behalf of OCC the stock of OCC's wholly-owned subsidiaries.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, OCC included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. OCC has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

The purpose of the proposed rule change is to add paragraph (b) to Article IV, Section 6 of OCC's By-Laws. Paragraph (b) grants the chairman of OCC's board of directors or his proxy the express authority to vote on behalf of OCC the stock of OCC's wholly-owned subsidiaries. For example, the proposed rule change clarifies the chairman's authority to vote stock of a subsidiary to fill vacancies on the subsidiary's board where the subsidiary's by-laws require vacancies to be filled by its stockholders. This authority is subject to any specific direction of or alternative delegation by OCC's full board of directors. Any exercise of the chairman's authority under Article IV, Section 6(b) is subject to subsequent ratification by the OCC board.

The proposed rule change also amends the current text of Article IV, Section 6, newly designated as paragraph (a) thereof, to correct a typographical error.

OCC believes that the proposed rule change is consistent with Section 17A of the Act because it makes explicit and clarifies authority implicit under existing OCC By-Laws. According to OCC, the delegation of such authority to the Chairman has proven effective in promoting the efficient governance of OCC.

B. Self-Regulatory Organization's Statement on Burden on Competition

OCC does not believe that the proposed rule change would impose any burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants or Others

Written comments were not and are not intended to be solicited with respect

to the proposed rule change and none have been received.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Act

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A)(iii)² of the Act and pursuant to rule 19b-4(f)(3)³ promulgated thereunder because the proposal is concerned solely with the administration of OCC. At any time within sixty days of the filing of such rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views and arguments concerning the foregoing, including whether the proposed rule change is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying in the Commission's Public Reference Section, 450 Fifth Street, NW, Washington, DC 20549. Copies of such filing will also be available for inspection and copying at the principal office of OCC. All submissions should refer to file number SR-OCC-99-11 and should be submitted by January 31, 2000.

For the Commission by the Division of Market Regulation, pursuant to delegated authority.
