Existing award activities cannot overlap with the new grant's project period and funds from the currently existing grants cannot be expended for new grant activities.

Project Duration: The projects will be awarded for a project period of 48 months. The initial grant award will be for a 12-month budget period. The award of continuation funding beyond each 12-month budget period will be subject to the availability of funds, satisfactory progress on the part of the grantee, and a determination that continued funding would be in the best interest of the government.

Federal Share Of Project Costs: Grant amounts will vary and range up to \$450,000 per budget year for each of the four years.

Matching Requirement: The grantee must provide at least 10 percent of the total approved cost of the project. The total approved cost of the project is the sum of the federal share and the non-Federal share. The non-Federal share may be met by cash or in-kind contributions, although applicants are encouraged to meet their match requirements through cash contributions. Therefore, a project requesting a total of \$1,800,000 in Federal funds for all four project years (based on an award of \$450,000 per budget year), must include a match of at least \$200,000 (10 percent of total approved project costs, *i.e.*, \$50,000 per budget period).

Anticipated Number of Projects to be Funded: It is anticipated that three to six projects will be funded under this priority area.

The total approved cost of the project is the sum of the ACF share and the non-Federal share. The non-Federal share may be met by cash or in-kind contributions, although applicants are encouraged to meet their match requirements through cash contributions. Therefore, a project requesting a total of \$1,800,000 in Federal funds for all four project years (based on an award of \$450,000 per budget year), must include a match of at least \$200,000 (10 percent of total approved project costs, *i.e.*, \$50,000 per budget period).

Required Notification of the Single Point of Contact

Most portions of this program are covered under Executive Order 12372, Intergovernmental Review of Federal Programs, and 45 CFR part 100, Intergovernmental Review of Department of Health and Human Services Program and Activities. Under the Order, States may design their own process for reviewing and commenting on proposed Federal assistance under covered programs.

All States and Territories except Alabama, Alaska, Colorado, Connecticut, Hawaii, Idaho, Kansas, Louisiana, Massachusetts, Minnesota, Montana, Nebraska, New Jersey, New

York, Ohio, Oklahoma, Oregon, Palau, Pennsylvania, South Dakota, Tennessee, Vermont, Virginia, Washington, and American Samoa have elected to participate in the Executive Order process and have established Single Points of Contact (SPOCs). Applicants from these twenty-three jurisdictions need take no action regarding E.O. 12372. Applicants for projects to be administered by Federally-recognized Indian Tribes are also exempt from the requirements of E.O. 12372. Applicants to the Adoption Opportunities program are also exempt from the requirements of E.O. 12372. Otherwise, applicants should contact their SPOCs as soon as possible to alert them of the prospective applications and receive any necessary instructions. Applicants must submit any required material to the SPOCs as soon as possible so that the program office can obtain and review SPOC comments as part of the award process. It is imperative that the applicant submit all required materials, if any, to the SPOC and indicate the date of this submittal (or the date of contact if no submittal is required) on the Standard Form 424, item 16a.

Under 45 CFR 100.8(a)(2), a SPOC has 60 days from the application deadline to comment on proposed new or competing continuation awards.

SPOCs are encouraged to eliminate the submission of routine endorsements as official recommendations.

Additionally, SPOCs are requested to clearly differentiate between mere advisory comments and those official State process recommendations which may trigger the accommodate or explain rule. A list of the Single Points of Contact for each State and Territory can be found on the web site <http://www.dhhs.gov/progorg/grantsnet/laws-reg/spoq0695.htm>.
