

AK in the possession of the University of Pennsylvania Museum of Archaeology and Anthropology, Philadelphia, PA.

A detailed assessment of the human remains was made by University of Pennsylvania Museum professional staff in consultation with representatives of the Native Village of Unalakleet, the Native Village of Shaktoolik, the Native Village of St. Michael, the Stebbins Community Association, and the Bering Straits Native Foundation.

In 1969, human remains representing one individual were recovered from a site east of Kouwegok Slough near Unalakleet, AK during excavations conducted under the auspices of the University of Pennsylvania by archeologist Bruce Lutz. No known individual was identified. No associated funerary objects are present.

Based on excavation records and accession information provided by the collector, this individual has been identified as Native American from the Post-Norton period (after 1000 A.D.). No further information exists for this individual.

Based on the above mentioned information, officials of the University of Pennsylvania Museum have determined that, pursuant to 43 CFR 10.2 (d)(1), the human remains listed above represent the physical remains of one individual of Native American ancestry. Officials of the University of Pennsylvania Museum have determined that, pursuant to 43 CFR 10.2 (e), there is a relationship of shared group identity which can be reasonably traced between these Native American human remains and the Native Village of Unalakleet.

This notice has been sent to officials of the Native Village of Unalakleet, the Native Village of Shaktoolik, the Native Village of St. Michael, the Stebbins Community Association, and the Bering Straits Native Foundation. Representatives of any other Indian tribe that believes itself to be culturally affiliated with these human remains should contact Dr. Jeremy Sabloff, the Williams Director, University of Pennsylvania Museum of Archaeology and Anthropology, 33rd and Spruce Streets, Philadelphia, PA 19104-6324; telephone: (215) 898-4051, fax (215) 898-0657, before May 15, 2000. Repatriation of the human remains to the Native Village of Unalakleet may begin after that date if no additional claimants come forward.

The National Park Service is not responsible for the determinations within this notice.

Dated: April 7, 2000.

Economic Survey Schedule

I. Background

Sections 5, 6(a)(3) and 8 of the Fair Labor Standards Act (FLSA), administered by the Wage and Hour Division, provide that covered, nonexempt employees in American Samoa may be paid a minimum wage rate established by a special industry committee. The committee is to recommend to the Secretary of Labor the highest minimum wage rate (not to exceed the rate required under section 6(a)(1) of the FLSA) that it determines, having due regard to economic and competitive conditions, will not substantially curtail employment in the industry and will not give any industry in American Samoa a competitive advantage over any other industry in the United States outside of American Samoa. The Secretary of Labor must submit to the industry committee economic data to enable the committee to recommend the industry wage rates. The Economic Survey Schedule (WH-1) is a voluntary use form completed by employers in American Samoa to disclose certain economic data concerning their establishment.
