

inspection at the Federal Reserve Bank indicated. The application also will be available for inspection at the offices of the Board of Governors. Interested persons may express their views in writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act (12 U.S.C. 1843). Unless otherwise noted, nonbanking activities will be conducted throughout the United States. Additional information on all bank holding companies may be obtained from the National Information Center website at www.ffiec.gov/nic/.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than May 19, 2000.

A. Federal Reserve Bank of Atlanta (Lois Berthaume, Vice President) 104 Marietta Street, N.W., Atlanta, Georgia 30303-2713:

1. *North Georgia Community Financial Partners, Inc.*, Calhoun, Georgia; to become a bank holding company by acquiring 100 percent of the voting shares of North Georgia National Bank, Calhoun, Georgia.

Board of Governors of the Federal Reserve System, April 20, 2000.

Robert deV. Frierson,

Associate Secretary of the Board.

BILLING CODE 6210-01-P

FEDERAL RESERVE SYSTEM

Formations of, Acquisitions by, and Mergers of Bank Holding Companies

The companies listed in this notice have applied to the Board for approval, pursuant to the Bank Holding Company Act of 1956 (12 U.S.C. 1841 *et seq.*) (BHC Act), Regulation Y (12 CFR Part 225), and all other applicable statutes and regulations to become a bank holding company and/or to acquire the assets or the ownership of, control of, or the power to vote shares of a bank or bank holding company and all of the banks and nonbanking companies owned by the bank holding company, including the companies listed below.

The applications listed below, as well as other related filings required by the Board, are available for immediate inspection at the Federal Reserve Bank indicated. The application also will be available for inspection at the offices of the Board of Governors. Interested persons may express their views in

writing on the standards enumerated in the BHC Act (12 U.S.C. 1842(c)). If the proposal also involves the acquisition of a nonbanking company, the review also includes whether the acquisition of the nonbanking company complies with the standards in section 4 of the BHC Act (12 U.S.C. 1843). Unless otherwise noted, nonbanking activities will be conducted throughout the United States. Additional information on all bank holding companies may be obtained from the National Information Center website at www.ffiec.gov/nic/.

Unless otherwise noted, comments regarding each of these applications must be received at the Reserve Bank indicated or the offices of the Board of Governors not later than May 22, 2000.

A. Federal Reserve Bank of San Francisco (Maria Villanueva, Consumer Regulation Group), 101 Market Street, San Francisco, California 94105-1579:

1. *PBOC Holdings*, Los Angeles, California; to become a bank holding company by acquiring 100 percent of the voting shares of People's Bank of California, Los Angeles, California, upon its conversion from a savings association to a bank.

Board of Governors of the Federal Reserve System, April 21, 2000.

Robert deV. Frierson,

Associate Secretary of the Board.

BILLING CODE 6210-01-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

Office of the Secretary

Office of Minority Health

Notice of a Cooperative Agreement With the Interamerican College of Physicians and Surgeons (ICPS)

AGENCY: Office of the Secretary, Office of Minority Health, HHS.

ACTION: Notice of a Cooperative Agreement with the Interamerican College of Physicians and Surgeons (ICPS).

The Office of Minority Health (OMH), Office of Public Health and Science, announces its intent to continue support of the umbrella cooperative agreement with the Interamerican College of Physicians and Surgeons (ICPS). This cooperative agreement will continue the broad programmatic framework in which specific projects can be supported by various governmental agencies during the project period.

The purpose of this cooperative agreement is to assist the organization in

expanding and enhancing its activities in the following areas: service delivery, disease prevention, health promotion, and health services research opportunities, with the ultimate goal of improving the health status of minorities and disadvantaged people.

The OMH will provide technical assistance and oversight as necessary for the implementation, conduct, and assessment of the project activities. On an as-needed basis, OMH will assist in arranging consultation from other government agencies and non-government agencies.

Authority: This cooperative agreement is authorized under Section 1707(e)(1) of the Public Health Service Act, as amended.

Background

Assistance will continue to be provided to ICPS. During the last five years, ICPS has successfully demonstrated the ability to work with its organizational membership and health agencies on mutual education, service, and research endeavors. The ICPS is uniquely qualified to continue to accomplish the purposes of this cooperative agreement because it has the following combination of factors:

- It is a national organization whose membership consists exclusively of Hispanic physicians, surgeons, and future health care providers.
- It has an established infrastructure to develop, expand, and manage various health education and medical training programs within local communities and physician groups that deal extensively with Hispanic health issues. These programs are aimed at preventing and reducing mortality rates among Hispanic populations.
- It has established itself as an organization with professionals who serve as leaders and experts in planning, developing, implementing, and evaluating health education curricula, and client-based health prevention programs aimed at reducing excessive mortality and adverse health behaviors among Hispanic populations.
- It has developed databases and directories of health care providers and Hispanic medical students interested in primary care, including funding mechanisms to continue graduate, medical, and scientific education.
- It has an inventory of critical knowledge, skills, and abilities related to serving Hispanic clients on a range of health and social problems.

This cooperative agreement will be continued for an additional 3-year project period with 12-month budget periods. Depending upon the types of projects and availability of funds, it is anticipated that this cooperative

agreement will receive approximately \$100,000 per year. Continuation awards within the project period will be made on the basis of satisfactory progress and the availability of funds.

Where To Obtain Additional Information

If you are interested in obtaining additional information regarding this cooperative agreement, contact Ms. Cynthia Amis, Office of Minority Health, 5515 Security Lane, Suite 1000, Rockville, Maryland 20852 or telephone (301) 594-0769.

OMB Catalog of Federal Domestic Assistance

The Catalog of Federal Domestic Assistance Number for this cooperative agreement is 93.004.

Dated: April 11, 2000.

Nathan Stinson, Jr.,
Deputy Assistant Secretary for Minority Health.

Centers for Disease Control and Prevention

[30DAY-21-00]

Agency Forms Undergoing Paperwork Reduction Act Review

The Centers for Disease Control and Prevention (CDC) publishes a list of information collection requests under review by the Office of Management and Budget (OMB) in compliance with the Paperwork Reduction Act (44 U.S.C. Chapter 35). To request a copy of these requests, call the CDC Reports Clearance Officer at (404) 639-7090. Send written

comments to CDC, Desk Officer; Human Resources and Housing Branch, New Executive Office Building, Room 10235; Washington, DC 20503. Written comments should be received within 30 days of this notice.

Proposed Project

Evaluation of NIOSH Fire Fighter Alert (Structural Collapse)—New—The National Institute of Occupational Safety and Health (NIOSH). An Alert documents the scientific research about an occupational health and safety hazard and provides recommendations for assessing, avoiding, or reducing the hazard. The Alert is probably the National Institute for Occupational Safety and Health's (NIOSH) best tool for addressing risks of great immediate danger involving hazards to life and health. Even though the Alert can be termed an important tool, prior to 1999 no rigorous test of Alert efficacy had ever been conducted. During the past year, NIOSH began the first rigorous test of one NIOSH Alert on the dangers of structural collapse among fire fighters. This testing was done with a sample of fire fighters, and on the basis of this sample, a national distribution strategy for the Alert will follow.

This Alert contains recommendations with important safety and health implications for more than one million fire fighters in over 36,000 fire fighter units. Morbidity and mortality rates are relatively high for this occupation, which increases the need for effective communication strategies when reporting safety and health recommendations.

The formative research phase done this year by NIOSH's Health Communication Research Branch and Division for Safety Research will produce data with strong levels of internal and external validity. However,

the formative phase is only aimed at designing effective messages and not aimed at understanding the impact of those messages in the final distribution of the Alert. NIOSH believes that it is reasonable to: (1) Conduct an evaluation of the national distribution of the Alert to determine its final impact and (2) identify the characteristics of those fire fighter units that may not have met optimal levels of communication effect (receiver awareness, comprehension, acceptance, and use).

The specific goals of this investigation are to: (1) Assess the communication effect of NIOSH recommendations contained within the Alert on structural collapse and (2) identify the characteristics (behavioral, normative, and control beliefs, and demographics) of receivers who fail to meet minimum levels of communication effect.

A standardized questionnaire developed and approved for the formative research phase will be used to assess communication effect. Items will identify the extent of receiver awareness, comprehension, acceptance, and use of the Alert. The Theory of Planned Behavior will be used to help identify the factors that mediate this communication effect, and relevant questions will be added to the existing questionnaire.

The data collected in this study will be used to assess the communication effect of the national distribution of the Alert by comparing the means between the respondents in the formative evaluation and the respondents in the national distribution. This data also will be used to identify the characteristics of those fire fighter units that may not have met optimal levels of communication effects. Total annual burden hours are 250.

Respondents	Number of respondents	Number of responses/ respondent	Average burden response (in hours)
Fire Fighters	1,000	1	.25

Dated: April 20, 2000.

Charles W. Gollmar,
Acting Associate Director for Policy Planning and Evaluation, Centers for Disease Control and Prevention.
