In addition, no disbursements or payments from the trust shall be made if the trustee receives prior written notice of objection from the Director, Office of Nuclear Reactor Regulation.

d. The trust agreement shall not be modified in any material respect without prior written notification to the Director, Office of Nuclear Reactor Regulation.

e. The trustee, investment advisor, or anyone else directing the investments made in the trust shall adhere to a "prudent investor" standard, as specified in 18 CFR 35.32(3) of the Federal Energy Regulatory Commission's regulations.

4. Bureau of Educational and Cultural Affairs; Fulbright Teacher Exchange Program

ACTION: Request for Proposals.

SUMMARY: The Office of Global Educational Programs/Fulbright Teacher and Administrator Program of the Bureau of Educational and Cultural Affairs announces an open competition. Public and private non-profit organizations meeting the provisions described in IRS regulation 26 CFR 1.501(c) may submit proposals to provide administrative and program services for the Fulbright Teacher and Administrator Exchange Program. The total FY2001 grant award for program and administrative expenses may not exceed \$1,322,000. Examples of services provided by the cooperating agency include: creating and updating handbooks and publicity materials; conducting recruitment campaigns and mailings; processing of all U.S. applications; pre-matching U.S. participants with foreign counterparts; monitoring program activities; paying stipends to and withholding taxes for selected foreign grantees; supporting special projects; administering alumni activities; and providing logistical support for Fall regional meetings and pre-orientation May workshops.

Program Information

Overview: The Fulbright Teacher and Administrator Program provides opportunities for teachers, administrators, and other school or college faculty to participate in direct exchanges of positions with colleagues from other countries for six weeks, a semester, or a full academic year.

The program provides a rich professional growth opportunity while enhancing mutual understanding among foreign and U.S. teachers, administrators, and their students. The major program components include alumni relations, recruitment and outreach, participant matching, the administration of training and professional meeting programs, and

monitoring and evaluation protocols. The cooperating agency must maintain a flexible approach in response to changing program needs and priorities. Effective and direct communications between the cooperating agency and the Fulbright Teacher Exchange Branch will be necessary at all times. Bi-monthly meetings, and other meetings pertaining to the grant's core program components will be held on a regular basis. The cooperating agency will also be responsible for maintaining telephone, e-mail, and fax communications with appropriate Branch and ECA staff.

Alumni Program

A new alumni program initiative emphasizes the development of alumni groups throughout the United States. The cooperating agency will provide support to individual American alumni and assist them in developing their respective alumni groups. Alumni groups may develop small projects funded through this grant to enhance the program.

Recruitment and Outreach

U.S. program participants are recruited through a nation-wide recruitment campaign conducted by the cooperating agency, based on teachers' and administrators' professional background and leadership potential. Foreign exchange participants are recruited and nominated by U.S. embassies or overseas Fulbright Commissions. To qualify for the program, participants must have a minimum of three years professional experience, hold an equivalent full-time teaching position and a Bachelor's degree, and be fluent in English.

The cooperating agency will submit a yearly recruitment and outreach plan to the Branch and will be responsible for all recruitment activities including attendance at conferences, mass mailings of promotional materials, web site development, and responses to general inquiries.

Matching

All U.S. candidates are interviewed by volunteer peer review committees and are matched with foreign partners whose professional and personal backgrounds are congruent with the backgrounds of their American partner. The cooperating agency forwards candidate dossiers to over 30 countries for consideration. The dossiers are evaluated and matched by either the Fulbright Commission, the public affairs section of the U.S. Embassy, or an in-country hosting organization depending upon which organization implements the program in country.
