The Housing Opportunities for
Persons with AIDS (HOPWA) program
provides housing assistance and related
supportive services for low-income
persons with HIV/AIDS and their

families. Ten percent of the
appropriated funds are awarded by
competition as grants under two
categories of assistance as: (1) Special
Projects of National Significance (SPNS)
which, due to their innovative nature or
their potential for replication, are likely
to serve as effective models in
addressing the needs of eligible persons;
Applications for this category can be
submitted by States, local governments
and non-profit organizations; and (2)
Projects which are part of Long-term
Comprehensive Strategies for providing
housing and services for eligible persons
in non-formula areas. Applications for
this category can be submitted by States
and local governments to undertake
activities in areas that did not qualify
for formula allocations during the fiscal
year. Funds may be used over a three
year operating period. Grantees report to
the Department on program

You may obtain copies of the collection requirement and related forms and explanatory material by contacting the Service's Information Collection Clearance Officer at the phone number listed below. The Service is soliciting comment and suggestions on the requirement as described below.

DATES: Interested parties must submit comments on or before June 30, 2000.

SUPPLEMENTARY INFORMATION:

Title of Forms: Grant Agreement and Amendment to Grant Agreement.

OMB Approval Number: 1018-0049 expires 8/31/2000. The Service may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB Control Number.

Description and Use: The Service administers several grant programs authorized by the Federal Aid in Wildlife Restoration Act, the Federal Aid in Sport Fish Restoration Act, the Anadromous Fish Conservation Act, the Endangered Species Act, the Clean Vessel Act, the Sportfishing and Boating Safety Act, and the Coastal Wetlands Planning, Protection and Restoration Act. The Service uses the information collected to make awards within these grant programs. This includes determining if the estimated cost is reasonable, the cost sharing is consistent with the applicable program statutes, and whether sufficient Federal funds are available for obligation. The State or other grantee uses the form to request funds and identify proposed cost sharing. Grantees initiate an Amendment to Grant Agreement to request a change to a previously approved Grant Agreement. The Service

uses the Amendment to Grant Agreement to revise a previous funding obligation or otherwise document the approval of a revision.

These forms were previously approved under the referenced OMB control number. The new forms are modified slightly to lessen the burden on the public, and these changes also make them easier for the Service to use.
