Foreign-Trade Zones Board

[Order No. 1083]

Grant of Authority; Establishment of a Foreign-Trade Zone County of Boundary, Idaho

Pursuant to its authority under the Foreign-Trade Zones Act of June 18, 1934, as amended (19 U.S.C. 81a-81u), the Foreign-Trade Zones Board (the Board) adopts the following Order:

Whereas, the Foreign-Trade Zones Act provides for “ * * * the establishment. * * * of foreign-trade zones in ports of entry of the United States, to expedite and encourage foreign commerce, and for other purposes,” and authorizes the Foreign-Trade Zones Board to grant to qualified corporations the privilege of establishing foreign-trade zones in or adjacent to U.S. Customs ports of entry;

Whereas, the County of Boundary, Idaho (the Grantee), has made application to the Board (FTZ Docket 26-99, filed 5/24/99), requesting the

establishment of a foreign-trade zone at a site in the Eastport (Boundary County), Idaho area, adjacent to the Eastport, Idaho Customs port of entry;

Whereas, notice inviting public comment has been given in the **Federal Register** (64 FR 29993, 6/4/99); and,

Whereas, the Board adopts the findings and recommendations of the examiner's report, and finds that the requirements of the FTZ Act and the Board's regulations are satisfied, and that approval of the application is in the public interest;

Now, Therefore, the Board hereby grants to the Grantee the privilege of establishing a foreign-trade zone, designated on the records of the Board as Foreign-Trade Zone No. 242, at the site described in the application, subject to the Act and the Board's regulations, including Section 400.28.

Signed at Washington, DC, this 20th day of April 2000.

Foreign-Trade Zones Board.

William M. Daley,

Secretary of Commerce Chairman and Executive Officer.

Attest: Dennis Puccinelli,

Acting Executive Secretary.

Foreign-Trade Zones Board

[Docket 15-2000]

Foreign-Trade Zone 37—Orange County, NY; Request for Processing Authority; Newburgh Dye & Printing, Inc.; Prismatic Dyeing & Finishing, Inc. (Textile Finishing)

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the FTZ of Orange, Ltd., operator of FTZ 37, pursuant to § 400.32(b)(1) of the Board's regulations (15 CFR Part 400), requesting authority on behalf of Newburgh Dye & Printing, Inc. (NDPI), and Prismatic Dyeing & Finishing, Inc. (PDFI), to process foreign-origin textile products under FTZ procedures within FTZ 37. It was formally filed on April 26, 2000.

NDPI and PDFI operate separate textile processing facilities (120,000 sq.ft., 250 employees) within FTZ 37—Site 1 located adjacently at 40-41A Wisner Avenue in Newburgh, New York, within the Stewart/Newburgh State Enterprise Zone and the Newburgh/Kingston Federal Empowerment Zone. In October 1999, the Wisner Avenue site received temporary general-purpose FTZ

authority (to 11-1-2003) from the Board to include the two facilities (120,000 sq.ft. authorized) within FTZ 37. The FTZ of Orange is now requesting authority on behalf of NDPI and PDFI to process textile fabrics under FTZ procedures for the U.S. market and export. In this activity, foreign, quota-class woven and knit fabrics (HTSUS 5007.00 through 6022.99) would be admitted to the zone under privileged foreign status (19 CFR 146.41) in greige form to be dyed, printed, and finished using domestic dyes and chemicals. The proposed finishing activity would involve shrinking, sanferizing, desizing, sponging, bleaching, cleaning/laundering, calendaring, hydroxylating, decatizing, fulling, mercerizing, chintzing, moiring, framing/beamming, stiffening, weighting, crushing, tubing, thermofixing, anti-microbial finishing, shower proofing, flame retardation, and embossing of customer-owned fabric. The finished privileged foreign status fabric would then be transferred from the zone for Customs entry under its original textile quota and HTS classifications (no activity would be permitted that would result in transformation, tariff shift, or change in quota class or country of origin), with appropriate duty assessment and quota decrement.

FTZ procedures would exempt NDPI and PDFI from Customs duty payments on the foreign fabric processed for re-export. On shipments for the U.S. market, full duty payment would be deferred until the fabric is transferred from the zone for Customs entry. The application indicates that the savings from FTZ procedures would help improve the facilities' international competitiveness.

The application has requested review under Section 400.32(b)(1) of the FTZ Board regulations based on the election of privileged foreign status for the fabric admitted to FTZ 37.

Public comment on the application is invited from interested parties. Submissions (original and three copies) shall be addressed to the Board's Executive Secretary at the address below. The closing date for their receipt is June 7, 2000.

A copy of the application will be available for public inspection at the following location: Office of the Executive Secretary, Foreign-Trade Zones Board, Room 4008, U.S. Department of Commerce, 14th Street & Pennsylvania Avenue, NW., Washington, DC 20230.

Dated: April 26, 2000.

Dennis Puccinelli,

Acting Executive Secretary.

Coumarin From the People's Republic of China; Final Results of Expedited Sunset Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of final results of expedited sunset review.

SUMMARY: On December 30, 1999, the Department of Commerce published the notice of initiation of sunset review of the antidumping duty order on coumarin from the People's Republic of China ("China"). On the basis of a notice of intent to participate and an adequate substantive response from domestic interested parties and inadequate response (in this case no response) from respondent interested parties, we determined to conduct an expedited sunset review. Based on our analysis of the substantive comments received, we find that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping at the levels listed below in the section entitled "Final Results of the Review."

EFFECTIVE DATE: May 4, 2000.

FOR FURTHER INFORMATION CONTACT:

Martha V. Douthit or Carole A. Showers, Office of Policy, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-5050 and (202) 482-3217, respectively.

SUPPLEMENTARY INFORMATION:

Statute and Regulations

Unless otherwise indicated, all citations to the Tariff Act of 1930, as amended ("the Act"), are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department of Commerce's ("the Department's") regulations are to 19 CFR part 351 (1999). Guidance on methodological or analytical issues relevant to the Department's conduct of

sunset reviews is set forth in the Department Policy Bulletin 98:3—*Policies Regarding the Conduct of Five-year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders*; Policy Bulletin, 63 FR 18871 (April 16, 1998) ("Sunset Policy Bulletin").

Background

On December 30, 1999, the Department published the notice of initiation of the sunset review of the antidumping duty order on coumarin from China (64 FR 73510) pursuant to section 751(c) of the Act. We invited parties to comment. On the basis of a notice of intent to participate and adequate substantive response of domestic interested parties, inadequate response (in this case no response) from respondent interested parties, we determined it was appropriate to conduct an expedited sunset review. The Department has conducted this sunset review in accordance with sections 751 and 752 of the Act.

Scope of Review

The product covered by this order is coumarin from China. Coumarin is an aroma chemical with the chemical formula $C_9H_6O_2$ that is also known by other names, including 2H-1-benzopyran-2-one, 1,2-benzopyrone, cis-o-coumaric acid lactone, coumarin anhydride, 2-Oxo-1,2-benzopyran, 5,6-benzo-alpha-pyrone, ortho-hydroxycinnamic acid lactone, cis-ortho-coumaric acid anhydride, and tonka bean camphor. All forms and variations of coumarin are included within the scope of the order, such as coumarin in crystal, flake, or powder form, and "crude" or unrefined coumarin (*i.e.* prior to purification or crystallization). Excluded from the scope of this order are ethylcoumarins $C_{11}H_{10}O_2$ and methylcoumarins $C_{10}H_8O_2$. Coumarin is classifiable under subheading 2932.21.0000 of the Harmonized Tariff Schedule of the United States ("HTSUS"). Although the HTSUS subheading is provided for convenience and customs purposes, our written description of the scope of this review is dispositive.

The antidumping duty order remains in effect for all manufacturers, producers, and exporters of coumarin from China.

Analysis of Comments Received

All issues raised in the substantive responses by parties to this sunset review are addressed in the "Issues and Decision Memorandum" ("Decision Memo") from Jeffrey A. May, Director, Office of Policy, Import Administration,

to Troy H. Cribb, Acting Assistant Secretary for Import Administration, dated April 28, 2000, which is hereby adopted in this notice. The issues discussed in the attached Decision Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the margin likely to prevail were the order revoked. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum, which is on file in the Department's Central Record Unit, Room B-099, 14th Street and Constitution Ave., NW, Washington, DC 20230.

In addition, a complete version of the Decision Memo can be accessed directly on the Web at www.ita.doc.gov/import-admin/records/frn. The paper copy and electronic version of the Decision Memo are identical in content.

Final Results of Review

We determine that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping at the following percentage weighted-average margins:

Manufacturer/producer/exporter	Margin (percent)
Jiangsu Native Produce Import/Export Corporation	31.02
Tianguin Native Produce Import/Export Corporation	70.45
All Others	160.80

This notice also serves as the only reminder to parties subject to administrative protective orders ("APO") of their responsibility concerning the return or destruction of proprietary information disclosed under APO in accordance with 19 CFR 351.305 of the Department's regulations. Timely notification of the return or destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

We are issuing and publishing this determination and notice in accordance with sections 751(c), 752, and 777(i)(1) of the Act.

Dated: April 28, 2000.

Troy H. Cribb,

Acting Assistant Secretary for Import Administration.
