

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995, Public Law 104-13 (44 U.S.C. 3506(c)(2)(A)).

DATES: Written comments must be submitted on or before July 31, 2000.

ADDRESSES: Direct all written comments to Linda Engelmeier, Departmental Forms Clearance Officer, Office of the Chief Information Officer, Department of Commerce, Room 6066, 14th and Constitution Avenue, NW, Washington, DC 20230 (or via the Internet at lengelme@doc.gov).

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument(s) and instructions should be directed to Dawnielle Battle, BXA ICB Liaison, Office of Planning, Evaluation and Management, Department of Commerce, Room 6881, 14th and Constitution Avenue, NW, Washington, DC 20230.

SUPPLEMENTARY INFORMATION:

I. Abstract

License Exception TMP permits the export of controlled commodities and software for temporary use abroad for a 12-month period under the guidelines listed in Section 740.9 of the EAR. If commodities shipped under License Exception TMP are for news-gathering purposes, the exporter must send BXA a copy of the packing list. Also, a TMP exporter must send BXA an explanatory letter if commodities shipped must be detained abroad beyond the 12-month limit. The information is used to determine whether or not an extension should be granted.

II. Method of Collection

The information will be collected in written form.

III. Data

OMB Number: 0694-0029.

Form Number: None.

Type of Review: Regular submission for extension of a currently approved collection.

Affected Public: Individuals, businesses and other for-profit institutions.

Estimated Number of Respondents: 3.

Estimated Time Per Response: 20 to 30 minutes per response.

Estimated Total Annual Burden Hours: 1 hour.

Estimated Total Annual Cost: No capital expenditures are required.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the function of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: May 23, 2000.

Madeleine Clayton,

Management Analyst, Office of the Chief Information Officer.

Dynamic Random Access Memory Semiconductors ("DRAMs") of One Megabit and Above From the Republic of Korea; Preliminary Results of Full Sunset Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

ACTION: Notice of preliminary results of full sunset review: Dynamic Random Access Memory Semiconductors ("DRAMs") of One Megabit and Above from the Republic of Korea.

SUMMARY: On November 2, 1999, the Department of Commerce ("the Department") initiated a sunset review of the antidumping duty order on dynamic random access memory semiconductors ("DRAMs") of one megabit and above from the Republic of Korea ("Korea") (64 FR 59160) pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). On the basis of a notice of intent to participate filed on behalf of domestic interested parties and adequate substantive responses filed on behalf of the

domestic and respondent interested parties, the Department determined to conduct a full sunset review. As a result of this review, the Department preliminarily finds that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping at the levels indicated in the Preliminary Results of Review section of this notice.

EFFECTIVE DATE: May 30, 2000.

FOR FURTHER INFORMATION CONTACT: Eun W. Cho or Carole Showers, Office of Policy for Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-1698 or (202) 482-3217, respectively.

SUPPLEMENTARY INFORMATION:

The Applicable Statute

Unless otherwise indicated, all citations to the Act are references to the provisions effective January 1, 1995, the effective date of the amendments made to the Act by the Uruguay Round Agreements Act ("URAA"). In addition, unless otherwise indicated, all citations to the Department regulations are to 19 CFR Part 351 (1999). Guidance on methodological or analytical issues relevant to the Department's conduct of sunset reviews is set forth in the Department Policy Bulletin 98:3—Policies Regarding the Conduct of Five-Year ("Sunset") Reviews of Antidumping and Countervailing Duty Orders; Policy Bulletin, 63 FR 18871 (April 16, 1998) (Sunset Policy Bulletin).

Background

On November 2, 1999, the Department initiated a sunset review of the antidumping duty order on DRAMs of one megabit and above from Korea (64 FR 59160). We invited parties to comment. On the basis of a notice of intent to participate filed on behalf of domestic interested parties and adequate substantive responses filed on behalf of domestic and respondent interested parties, the Department determined to conduct a full sunset review. The Department is conducting this sunset review in accordance with sections 751 and 752 of the Act.

In accordance with section 751(c)(5)(C)(v) of the Act, the Department may treat a review as extraordinarily complicated if it is a review of a transition order (*i.e.*, an order in effect on January 1, 1995). This review concerns a transition order within the meaning of section 751(c)(6)(C)(ii) of the Act. On February

25, 2000, the Department determined that the sunset review of the antidumping duty order on DRAMs from Korea is extraordinarily complicated and extended the time limit for completion of the preliminary results of this review until not later than May 22, 2000, in accordance with section 751(c)(5)(B) of the Act.¹

Scope of Review

The products covered by this order include DRAMs of one megabit and above from Korea. Assembled DRAMs include all package types. Unassembled DRAMs include processed wafers, uncut die, and cut die. Processed wafers produced in Korea, but packaged or assembled into memory modules in a third country, are included in the scope; wafers produced in a third country and assembled or packaged in Korea are not included in the scope. The scope of this review includes memory modules. A memory module is a collection of DRAMs, the sole function of which is memory. Modules include single in-line processing modules ("SIPs"), single in-line memory modules ("SIMMs"), or other collections of DRAMs, whether unmounted or mounted on a circuit board. Modules that contain other parts that are needed to support the function of memory are covered. Only those modules which contain additional items which alter the function of the module to something other than memory, such as video graphics adapter ("VGA") boards and cards, are not included in the scope. The scope of this review also includes video random access memory semiconductors ("VRAMS"), as well as any future packaging and assembling of DRAMs, and removable memory modules placed on motherboards, with or without a central processing unit ("CPU"), unless the importer of motherboards certifies with the Customs Service that neither it nor a party related to it or under contract to it will remove the modules from the motherboards after importation. The scope of this review does not include DRAMs or memory modules that are re-imported for repair or replacement. The DRAMs and modules subject to this review are currently classifiable under subheadings 8471.50.0085, 8471.91.8085, 8542.11.0024, 8542.11.8026, 8542.13.8034, 8471.50.4000, 8473.30.1000, 8542.11.0026, 8542.11.8034, 8471.50.8095, 8473.30.4000, 8542.11.0034, 8542.13.8005, 8471.91.0090, 8473.30.8000, 8542.11.8001,

8542.13.8024, 8471.91.4000, 8542.11.0001, 8542.11.8024 and 8542.13.8026 of the Harmonized Tariff Schedule of the United States ("HTSUS").

Although the HTSUS subheadings are provided for convenience and customs purposes, the Department's written description of the scope of this order remains dispositive.

Analysis of Comments Received

All issues raised in substantive responses and rebuttals by parties to this sunset review are addressed in the Issues and Decision Memorandum ("Decision Memo") from Jeffrey A. May, Director, Office of Policy, Import Administration, to Troy H. Cribb, Acting Assistant Secretary for Import Administration, dated May 22, 2000, which is hereby adopted by this notice. The issues discussed in the attached Decision Memo include the likelihood of continuation or recurrence of dumping and the magnitude of the margin likely to prevail were the order revoked. Parties can find a complete discussion of all issues raised in this review and the corresponding recommendations in this public memorandum which is on file in B-099, the Central Records Unit, of the main Commerce Building.

In addition, a complete version of the Decision Memo can be accessed directly on the Web at www.ita.doc.gov/import_admin/records/frn. The paper copy and electronic version of the Decision Memorandum are identical in content.

Preliminary Results of Review

We preliminarily determine that revocation of the antidumping duty order would be likely to lead to continuation or recurrence of dumping at the following percentage weighted-average margins:

Manufacturer/exporter	Margin (percent)
Hyundai	20.88
All Others	4.55

Any interested party may request a hearing within 30 days of publication of this notice in accordance with 19 CFR 351.310(c). Any hearing, if requested, will be held on July 19, 2000. Interested parties may submit case briefs no later than July 11, 2000, in accordance with 19 CFR 351.309(c)(1)(i). Rebuttal briefs, which must be limited to issues raised in the case briefs, may be filed not later than July 17, 2000. The Department will issue a notice of final results of this sunset review, which will include the results of its analysis of issues raised in

any such comments, no later than September 29, 2000.

We are issuing and publishing this determination and notice in accordance with sections section 751(c), 752, and 777(i) of the Act.

Dated May 22, 2000.

Troy H. Cribb,

Acting Assistant Secretary for Import Administration.

Preliminary Results of Full Sunset Review: Silicomanganese From Ukraine

AGENCY: Import Administration, International Trade Administration, U.S. Department of Commerce.

ACTION: Notice of preliminary results of full sunset review: silicomanganese from Ukraine.

SUMMARY: On November 2, 1999, the Department of Commerce ("the Department") initiated a sunset review of the suspended antidumping investigation on silicomanganese from Ukraine pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). On the basis of a notice of intent to participate filed on behalf of the domestic parties and adequate substantive comments filed on behalf of both domestic and respondent interested parties, the Department is conducting a full sunset review. As a result of this review, the Department preliminarily finds that termination of the suspended antidumping investigation would be likely to lead to continuation or recurrence of dumping at the levels indicated in the Preliminary Results of Review section of this notice.

EFFECTIVE DATE: May 30, 2000.
