

each grant. Describe milestones and work products to be accomplished during the grant period.

For States applying for *Conditional Eligibility*, States must clearly indicate the annual benchmarks for improvements to personal assistance services (PAS) that must be achieved before funding beyond the first year's will be released. These benchmarks should represent improvements in PAS that will move a State closer to meeting the level of PAS described in Appendix One.

For States applying for *Transitional eligibility*, States must provide a letter of commitment outlining how the requirement of providing PAS statewide by the end of the grant year will be achieved.

- Examples of work products include completed program designs, legislative campaigns, or proposed educational campaigns.
- A timetable for accomplishing the major tasks to be undertaken should include key dates relevant to the proposed project (e.g. State budget cycles and legislative sessions).

D. Organization and Staffing

Describe the project organization and staffing include:

- Proposed management structure and how key project staff will relate to the proposed project director, the Medicaid Agency, and any interagency or community working groups.
- Brief biographical sketches of the project director and key project personnel indicating their qualifications, and prior experience for the project. Resumes for the key project personnel should be provided as an attachment.

E. Endorsements and Support

6. Budget Narrative/Justification

The budget must separate out funding that is administered directly by the lead agency from funding that will be subcontracted to other partners. If you have budgeted for Infrastructure Grant money to use toward the realization of a Demonstration to Maintain Independence project, you may submit a separate budget section reflecting how that money will be spent if the Demonstration project is not approved.

If your State has an approved State Plan amendment under section 1902(a)(10)(A)(ii)(XII) of the Social Security Act and is applying for funds in excess of \$500,000 per fiscal year, please provide

documentation of State and Federal spending for this optional categorically needy eligibility group.
