[Docket No. CP00-374-000]

Kinder Morgan Interstate Gas Transmission LLC; Notice of Application

June 9, 2000.

Take notice that on June 2, 2000, Kinder Morgan Interstate Gas Transmission LLC (KMIGT), P.O. Box 281304, Lakewood, Colorado 80228, filed in Docket No. CP00-374-000 an application pursuant to section 7(b) of the Natural Gas Act (NGA) for permission and approval to abandon by sale to K N Energy, a division of Kinder Morgan, Inc. (K N Retail), certain secondary lateral pipelines, measuring and tap facilities which are located in the States of Colorado, Nebraska and Wyoming, all as more fully set forth in the application which is on file with the Commission and open to public inspection. This filing may be viewed on the web at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).

KMIGT states that the facilities proposed for abandonment are currently utilized by KMIGT to make deliveries of natural gas to K N Retail at its local distribution systems. KMIGT states further that these secondary laterals are basically an extension of K N Retail's existing distribution system and would better serve its retail customers if they were owned and operated by K N Retail.

The abandonment, it is said, would have no material impact on KMIGT's cost of service nor would it result in or cause any interruption, disruption, or termination of the transportation service presently rendered by KMIGT.

KMIGT requests that the Commission declare that the facilities, after the sale, would be distribution facilities exempt from the Commission's jurisdiction under Section 1(b) of the NGA.

Any person desiring to be heard or any person desiring to make any protests with reference to said application should on or before June 30, 2000, file with the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is time filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be

unnecessary for KMIGT to appear or be represented at the hearing..
