In addition, carriers handling pay-per-call services must establish a toll-free number that consumers may call to receive information about pay-per-call services. Total Annual Cost: N/A.

Needs and Uses: Under Section 64.1510, telephone bills containing charges for interstate pay-per-call and other information services must include information detailing consumers' rights and responsibilities with respect to these charges. Specifically, telephone bills carrying pay-per-call charges must include a consumer notification stating that (1) the charges are for non-communication services; (2) local and long distance telephone services may not be disconnected for failure to pay-per-call charges; (3) pay-per-call (900 number) blocking is available upon request, and (4) access to pay-per-call services may be involuntarily blocked for failure to pay-per-call charges.
