DEPARTMENT OF HEALTH AND HUMAN SERVICES

Privacy Act of 1974: Revision to Existing System of Records

AGENCY: Child Care Subsidy Program, Office of the Assistant Secretary for Management and Budget, Office of the Secretary, HHS.

ACTION: Notice of revision to an existing system of records.

SUMMARY: In accordance with the requirements of the Privacy Act, the Department of Health and Human Services (HHS) is publishing a notice of the revision and renumbering of an existing system of records, 90-30-0050, *Child Care Subsidy Program*. The revised system will collect family income data from employees in the Office of the Secretary (OS) and the Administration on Aging (AoA), as well as employees in the Substance Abuse and Mental Health Services Administration (SAMHSA) who are already covered by this system, for the purpose of determining their eligibility for child care subsidies, and the amounts of the subsidies. It also will collect information from the employees' child care provider(s) for verification purposes, e.g., that the provider is licensed. Collection of data will be by subsidy application forms submitted by employees.

DATES: This revision does not revise the routine uses for this system. This amendment will be effective without further notice on the day of its publication unless comments are received which would result in a contrary determination.

FOR FURTHER INFORMATION CONTACT:

Child Care Subsidy Program Coordinator, Work/Life Center, Room 1250, 330 C Street, SW., Washington, DC 20201. The telephone number is 202-690-1441 or 202-690-8229.

SUPPLEMENTARY INFORMATION: The original Notice of System of Records covered only employees of the SAMHSA. Subsequently OS and AoA have established child care subsidy programs for their employees. This amendment expands coverage of the Child Care Subsidy Program Records to include employees in OS and AoA who are eligible for this program. The notice is published below in its entirety, as amended.

Dated: June 21, 2000.
