CORPORATION FOR NATIONAL AND COMMUNITY SERVICE

Renewal of Currently Approved Information Collection: Comment Request

AGENCY: Corporation for National and Community Service.

ACTION: Notice.

SUMMARY: The Corporation for National and Community Service (hereinafter the "Corporation"), as part of its continuing effort to reduce paperwork and respondent burden, conducts a preclearance consultation program to provide the general public and Federal agencies with an opportunity to comment on proposed and/or continuing collections of information in accordance with the Paperwork Reduction Act of 1995 (PRA95) (44 U.S.C. 3508(c)(2)(A)). This program helps to ensure that requested data can be provided in the desired format, reporting burden (time and financial resources) is minimized, collection instruments are clearly understood, and the impact of collection requirement on respondents can be properly assessed.

Currently, the Corporation is soliciting comments concerning its proposed revision of its AmeriCorps*NCCC Service Project Application Form (OMB Control Number 3045-0010). Copies of the information collection requests can be obtained by contacting the office below in the **ADDRESSES** section of this notice.

DATES: Written comments must be submitted to the office listed in the **ADDRESSES** section on or before September 18, 2000.

ADDRESSES: Send comments to Corporation for National and Community Service, AmeriCorps*NCCC, Attention: Mr. Wayne E. Verry, 1201 New York Avenue, NW., Washington, DC 20525.

FOR FURTHER INFORMATION CONTACT: Wayne E. Verry, (202) 606-5000, ext. 108.

SUPPLEMENTARY INFORMATION:

Comment Request

The Corporation Service is particularly interested in comments which:

- Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the Corporation, including whether the information will have practical utility;
- Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- Enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

Background

This form is used by community non-profit organizations, government agencies, and other prospective service project sponsors in the submission of proposed service projects for consideration by AmeriCorps*National Civilian Community Corps.

Current Action

The Corporation seeks renewal of the current form as it is under revision. The revised form incorporates lessons learned since program inception, and will be used for the same purpose as the existing form. The current form is due to expire November 30, 2000.

The principal revisions of the new Project Application are:

- Additional information in the Instructions regarding electronic preparation and submission;
- A request for a description of the compelling community needs to be addressed rather than a general description of the proposed project;

- A request for a work plan for accomplishing the project rather than a calendar and timeline.

- A request for tasks to be performed in the event of inclement weather (as appropriate);

- A request for an estimated number of volunteers from the community who might participate in the project rather than a general description of community participation;

- A clarification of the term "Service Learning" as part of the Corps Member Development aspect of the project;

- A statement confirming that an assurance of non-discrimination is included in the Sponsor Agreement, to be signed after the Project Application is approved.

Type of Review: Renewal.

Agency: Corporation for National and Community Service.

Title: AmeriCorps*NCCC Service Project Application.

Average Burden Per Response: 2.5 Hours.

Frequency: One time only.

SUPPLEMENTARY INFORMATION:

Summary of Information Collection

Respondents are information technology professionals from approximately 300 companies within the U.S. The purpose of this study is to develop a quantitative and qualitative understanding of what successful IT teams "look like" in terms of personnel composition and structure, and to learn about how successful IT teams operate. The goal of this effort is to use this information to form a basis for new Software Best Management Practices, to be encapsulated into the DSMC curriculum, as well as that of the Defense University's Chief of Information Officers program and civilian programs. Teams will be selected using a variety of sources, including DSMC listings, organizational listings held by industry experts, and professional contacts within the industry. Participation by team members is fully voluntary; all participants will be asked to sign a Study Participation Agreement form, explaining that the study is fully voluntary and describing how the data will be used. Data will be collected by two methods: completion of self-report personality/behavioral instruments by the participants, and observations of
